A callout '1' points to the 'BANK LETTER HEAD / ALTERNATIVE DOCUMENT' column. A callout '2' points to an 'Apply' button in a modal dialog box.

- After the registration process is completed from supplier side, changes to existing bank details or addition of new bank details need to be performed via NsKnox.
- For each added account it is mandatory to attach a bank letter head or an alternative document that verifies the bank details.

# Supplier Registration – Bank Account Changes after the Supplier Registration

To ensure a secure process for changing bank information, we would like to cooperate with our suppliers and ask you to make any changes to your bank details required after registering as a supplier via the NsKnox portal and have the data validated.

In case a change in your bank information is required, you, as a supplier are responsible for actively making bank account changes via the NsKnox online portal and not via our Synertrade tool. This is the only way to ensure safer and timely payments.

In the case any other changes to company information (e.g. email address, company address, etc.) is required, we kindly ask you to directly perform this change using our Synertrade Supplier Portal via the following link: <https://slm-portal.infineon.com/>

## In case your company is delivering to US (except Austin) / EU Infineon sites:

- Whenever you require a change of your bank account information, **please reach out to [SMDT@infineon.com](mailto:SMDT@infineon.com)** as soon as possible, without waiting the issuance of an invoice, to avoid delays related to bank account changes.

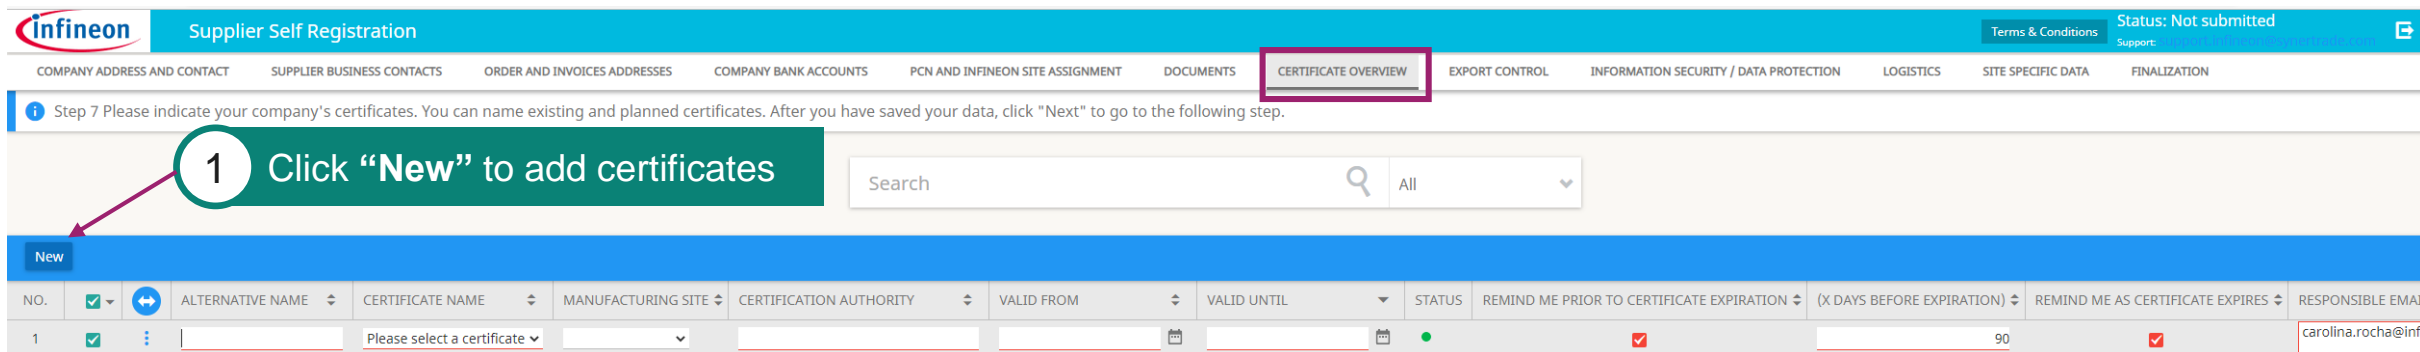

## In case your company is delivering to Austin (US) / Thailand / Philippines / Indonesia Infineon sites:

- Whenever you require a change of your bank account information, **please reach out to [suppliersetup@infineon.com](mailto:suppliersetup@infineon.com)** as soon as possible, without waiting the issuance of an invoice, to avoid delays related to bank account changes.

## In case your company is delivering to other sites (not listed above):

- Whenever you require a change of your bank account information, **please reach out to [R-IFX-SupplierMaste@infineon.com](mailto:R-IFX-SupplierMaste@infineon.com)** as soon as possible, without waiting the issuance of an invoice, to avoid delays related to bank account changes.

# Supplier Registration – Certificates

Step 7 Please indicate your company's certificates. You can name existing and planned certificates. After you have saved your data, click "Next" to go to the following step.

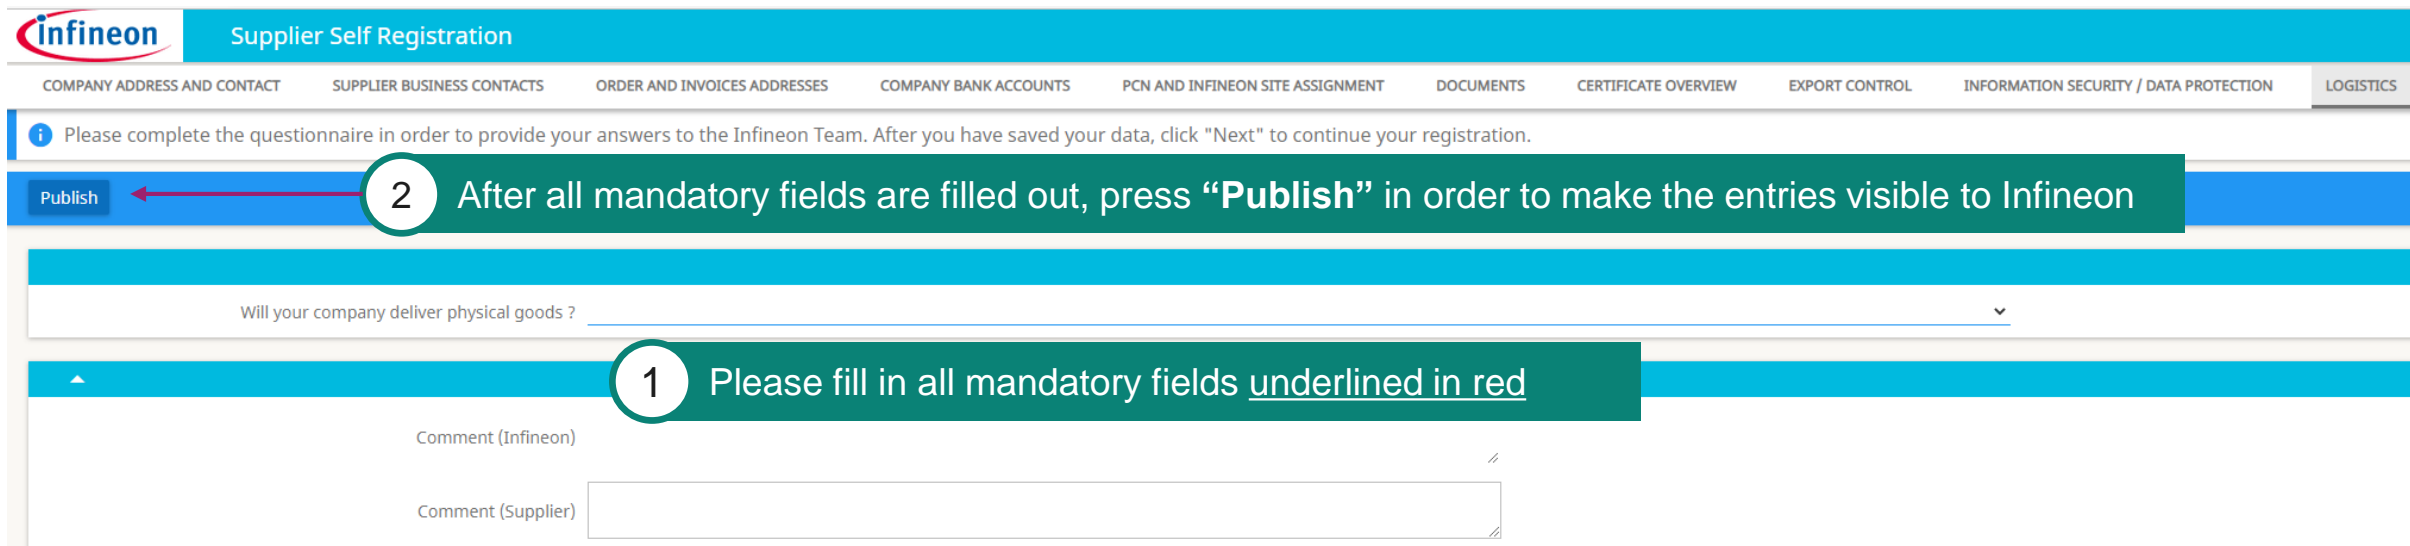

1 Click "New" to add certificates

2 Click "Apply" to save the data

NO.	<input checked="" type="checkbox"/>		ALTERNATIVE NAME	CERTIFICATE NAME	MANUFACTURING SITE	CERTIFICATION AUTHORITY	VALID FROM	VALID UNTIL	STATUS	REMIND ME PRIOR TO CERTIFICATE EXPIRATION	(X DAYS BEFORE EXPIRATION)	REMIND ME AS CERTIFICATE EXPIRES	RESPONSIBLE EMAIL
1	<input checked="" type="checkbox"/>			Please select a certificate					<span style="color: green;">●</span>	<input checked="" type="checkbox"/>	90	<input checked="" type="checkbox"/>	carolina.rocha@inf

- With the button “New” you can add more than one certificate.
- In the drop-down list you can find the ISO Code Certificates required by Infineon.
- Please write the exact dates of when the certificate is valid. The system will generate an automatic email reminder close to the expiration date as well as a reminder after it expires.
- Infineon will send you an email to update or add certain certificates if it is required.

Dear Supplier, as a globally acting enterprise Infineon Technologies AG is committed to corporate responsibility and respecting of human rights - in our own organization as well as in our supply chain. According to the U.S. Dodd-Frank Act it is mandatory to perform due diligence regarding the use of Conflict Minerals which requires constantly supply chain verifications, which mainly needs to obtain supplier specific CMRTs within Infineon's supply chain. Our aim is to achieve "Conflict Free Status" for the four relevant metals tin, tantalum, tungsten and gold (3TG). Additionally, we want to achieve that respectively our entire supply chain consists of CFSI certified Smelters only (for more information please refer to <http://www.conflictreesourcing.org>).

Please find the latest CMRT file available to download at: <http://www.conflictreesourcing.org/conflict-minerals-reporting-template/>

We kindly ask you to ensure to include all mandatory Information such as Metal, Smelter Reference List, Smelter Name, Smelter Country. The mandatory fields are marked with (\*). Please check the smelters for being a "real" smelter (no Bank or distributor).

Please upload your comprehensive CMRT document here:  + - ↓
