EXHIBIT A4

STATEMENT OF WORK: ADVANCED DESIGN KIT

This Statement of Work is entered into on the [mm.dd.yyyy] ("Effective Date") under the terms and conditions of the Support and Service Agreement dated [specifiy: date of last signature of the Agreement] ("Agreement") by and between [specifiy Customer's name, legal form and place of business] ("Customer") and Infineon Technologies AG, Am Campeon 1-12, 85579 Neubiberg, Germany ("Infineon").

I. Design Kit(s), including:

- Advanced version of Evaluation Kit, comprising

  (i) Latest version of an evaluation board

  (ii) pertinent schematics

  (iii) software to control the evaluation board

  (iv) datasheets of the Products BGT60 or BGT70 and BGT80

  (v) application note AN336 or AN337 or AN338

- plus version of Application Kit, comprising

  (i) Gerber files

  (ii) source code and firmware

  (iii) layer stack of the evaluation board

  (iv)

II. Price:

twenty-one thousand Euros (EUR 21,000)

III. Services:

- Five (5) days [at eight (8) hours each day] of technical support related to Customer's RF board including all reasonable efforts to fix Customer's RF board performance according to Infineon's datasheet / evaluation board (as reference) within an agreed timeframe.

IV. Project Site:

As mutually agreed, either:

- Infineon Expert's lab at: [address to be specified], or
- Customer's lab at: [address to be specified],

[pls select as appropriate]

V. Designated Contacts of Customer

Services will be provided to Designated Contacts as follows:

- [to be specified]
- [to be specified]

VI. Infineon Experts

Services will be provided by Infineon Experts as follows:

- [to be specified]

VII. Additional Conditions:

- Services will be provided to two (2) Customer Contacts, if Services are to be performed at Infineon Expert's lab, or by one (1) Infineon Expert, if Services are to be performed at Customer's lab.
- Lead time to schedule performance of Services is usually about four (4) weeks.
- Infineon will not charge for additional travel expenses, if Services are to be performed at Customer's lab.

VIII. General

1. Term

This Statement of Work shall enter into force on the Effective Date stated above and shall continue until the later of (i) the completion of delivery of the Design Kit(s) and (ii) provision of Services as both specified above.

2. Application of the Agreement

Except as expressly set forth herein the terms and conditions of the Agreement shall remain in full force and effect and shall apply to this Statement of Work. Unless otherwise defined in this Statement of Work, all capitalized terms used herein shall have the same meaning as defined in the Agreement.

IN WITNESS WHEREOF, the Parties have caused this Statement of Work to be executed by their duly authorized representatives:
