MCU Automotive PSoC™ – Design Registration Sheet

Please use this form to apply for a PDH design registration. Please fill all mandatory fields (optional fields are marked with (*)). **Incomplete applications will not be considered.** After filling the fields please send the saved copy to pdh-support@infineon.com. You will get the confirmation with the allocated PDH_DR (PDH Design Registration) number. Please download the PDF and open it with any PDF reader (Adobe Acrobat, Nuance PDF...) in order to be able to fill it directly.
