## Working Student: Trade Fairs and Event Management (f/m/div)

### Job description

Are you passionate about event management and want to put your skills into practice in an international high-tech company? Then you've come to the right place. Our project team in Munich is looking for a dedicated student who will actively support them in their trade show projects. Does this sound just like the right job? Don't hesitate and apply now, and make life easier, safer and greener with us! We are looking forward to your application!

- **Being strong together:** You support the project team throughout all stages of trade show and event planning, from design to execution and implementation
- **Marketing assistant:** You assist with digital marketing and promotional activities
- **Thorough planning:** You develop project plans and timelines
- **Stakeholder management:** You provide support in managing guests and participants
- **Project management:** You oversee the coordination with various trades and suppliers involved
- **Take responsibility:** You conduct post-event follow-up, prepare project documentation and generate reports
- **Operations on site:** You support the team on site during the event

### Profile

- **Study field:** You are currently studying Media and Communication Sciences, Event Management, Business Administration, Social and Humanities Sciences or a similar field of study
- **Personality:** You have strong organizational skills, effective communication abilities and a collaborative mindset
- **Way of working:** You are able to work independently, demonstrate confidence and quickly grasp new concepts
- **Experience:** You already possess prior experience in marketing, advertising, or trade show organization would be a plus
- **Skills:** You demonstrate proficiency in MS Office applications
- **Language skills:** You have excellent German and English skills, both written and spoken

### **Driving decarbonization and digitalization. Together.**

Infineon designs, develops, manufactures, and markets a broad range of semiconductors and semiconductor-based solutions, focusing on key markets in the automotive, industrial, and consumer sectors. Its products range from standard components to special components for digital, analog, and mixed-signal applications to customer-specific solutions together with the appropriate software.

### **– You can find the headquarters of Infineon Technologies AG in Neubiberg –**

In Campeon, besides working towards our goal of being one of the most sustainable companies in the world, we are improving everyone's future by making the technology of tomorrow.

At Infineon, we take work-life balance very seriously. You will be a step away from the center of Munich with its infinite possibilities. Whether you're a history buff, a foodie, or simply looking for relaxation in the city. Munich has something for everyone. Come and discover the warmth and charm of this city, where Bavarian hospitality meets modern urban living.

### **We are on a journey to create the best Infineon for everyone.**

This means we embrace diversity and inclusion and welcome everyone for who they

are. At Infineon, we offer a working environment characterized by trust, openness, respect and tolerance and are committed to give all applicants and employees equal opportunities. We base our recruiting decisions on the applicant 's experience and skills.

We look forward to receiving your resume, even if you do not entirely meet all the requirements of the job posting.

Please let your recruiter know if they need to pay special attention to something in order to enable your participation in the interview process.
