Dear M. JESSEL,

PayCert hereafter referred to as the Certification Body, has received a request, submitted by Infineon Technologies AG, your company, hereafter referred to as the Vendor for the Certification of the Card product CALYPSO™ move (Hardware identification: SLM10TLD002Y design step A12 with CALYPSO™ move software), hereafter referred to as the Product and identified above as "CALYPSO™ move".

In connection with your request, we have received your Implementation Conformance Statement (ICS), referred to as CAL.INF.BASIC.2022-010 dated 09/01/2023 and we have assessed your Test Report(s) (ref. ELITT_LAB_ECA-P_TR_2022-099_V1.0), which was generated by ELITT, following the Test Plan (ref. 210421-TL-CalypsoBasic-TestPlan_v3).

After assessing such files in the Certification Evaluation Report (ref. CER/EVR/CNA/2023-006 v1.0.0) the Certification Body has found reasonable evidence that the submitted samples of the Product complies to the Calypso Basic specification (ref. 191011-CalypsoBasic_v1.1 December 2020).

The Certification Body hereby grants the Product Certification of compliance with the requirements stated by the Calypso Basic specification (ref. 191011-CalypsoBasic_v1.1 December 2020) standard and will include your Product in the certified products list, published on the Certification Body's website (www.cna-paycert-certification.com).

Please note that the present Certification is subject to the following terms and conditions as listed hereafter :

i) The Vendor commits to the Certification Body certification procedures as well as the Calypso Certification Policy to obtain the Certification and therefore is valid as of today and will expire on the 20th January 2033.

ii) If the Product's hardware or software is changed, the Vendor must notify the Certification Body of this fact in writing. Any change in the certified Product that generates a different behaviour of the Product with respect to the endorsed specifications and Vendor's Implementation Conformance Statement, in The Certification Body's sole discretion, will be considered a modification subject to a requirement of new certification evaluation.

iii) The present Certification granted to Infineon Technologies AG for the above referenced Product is non-transferable to any other vendor.

The Certification Body has the right to terminate or revoke the Certification should any of the aformentionned terms and conditions be not respected.

Because The Certification Body's grant is subject to such limitations, including certain events of termination, the Vendor and any third parties should confirm that such Certification is current and has not been terminated by referring to the list of certified Products published on the Certification Body's website (www.cna-paycert-certification.eu).

Certificate Number: CNA-CCBA-00020
