CAMPEON is located in the southeast of Munich. It is very well accessible by public transportation or the autobahn.

By car:

Autobahn Munich – Salzburg, exit Neubiberg.
The parking garage has only limited parking lots for visitors. We recommend using public transportation.

You can reach Campeon via the S5 towards Holzkirchen and vice versa from Holzkirchen going into town directing Herrsching. Campeon is located approximately 500 metres from the station Fasanenpark. The way from the station to Campeon is permanently roofed.
