Find Product Technical Parameters

NEW

I can **answer specific technical parameters** of your desired product.

Example: <operating voltage>/<max current>/<junction temperature>/<surge isolation> [product part #]

junction temperature of TLE7181EM

刚刚

I am processing your inquiry, please stand by...

Table 1 Product summary

Parameter	Symbol	Values
Specified operating voltage	V_{SOP}	7.0 V … 34 V
Junction temperature	T_j	-40°C … 150°C
Maximum output source resistance	R_{Sou}	13.5 Ω
Maximum output sink resistance	R_{Sink}	9 Ω
Maximum quiescent current[1]	I_{QVS}	8 µA

1) Typical value at T_j = 25°C

Type	Package	Marking
TLE7181EM	PG-SSOP-24	TLE7181EM

Table 1 Product summary Parameter Symbol Values Specified operating voltage VSOP 7.0 V ... 34 V **Junction temperature** Tj -40°C ... 150°C Maximum output source resistance RSou 13.5 Ω Maximum output sink re...

Recommend Products for Technical Design Specification

NEW

I can **recommends product(s)** that matches your desired technical design specification.

Example: <RDS(on) 45mΩ 75V>

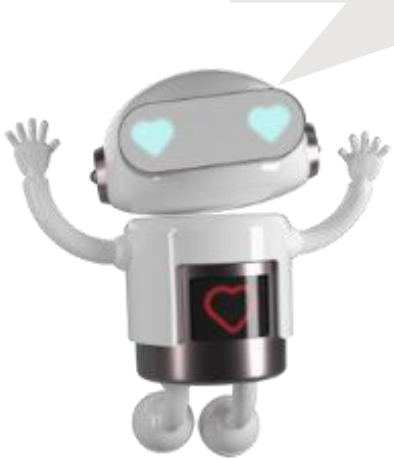

Copyright © Infineon Technologies AG 2021. All rights reserved.

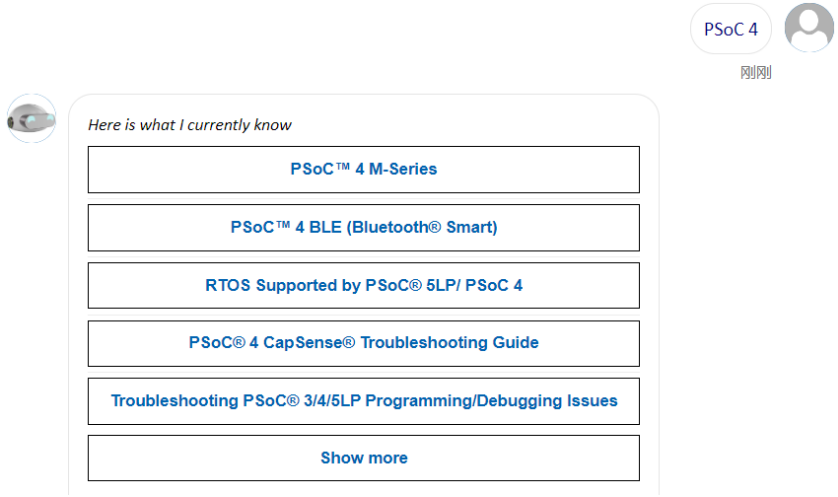

Introduce Infineon Product Family

NEW

I can **introduce Infineon's product family** and its variety of relevant information.

Example: <XMC4000>, <PSoC 4>

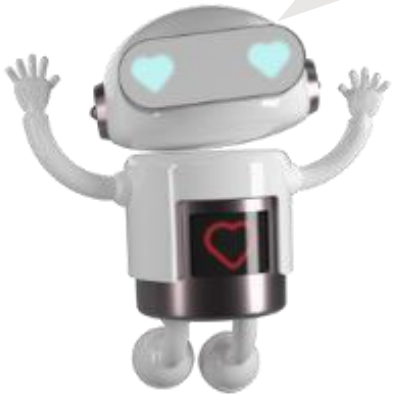

Copyright © Infineon Technologies AG 2021. All rights reserved.

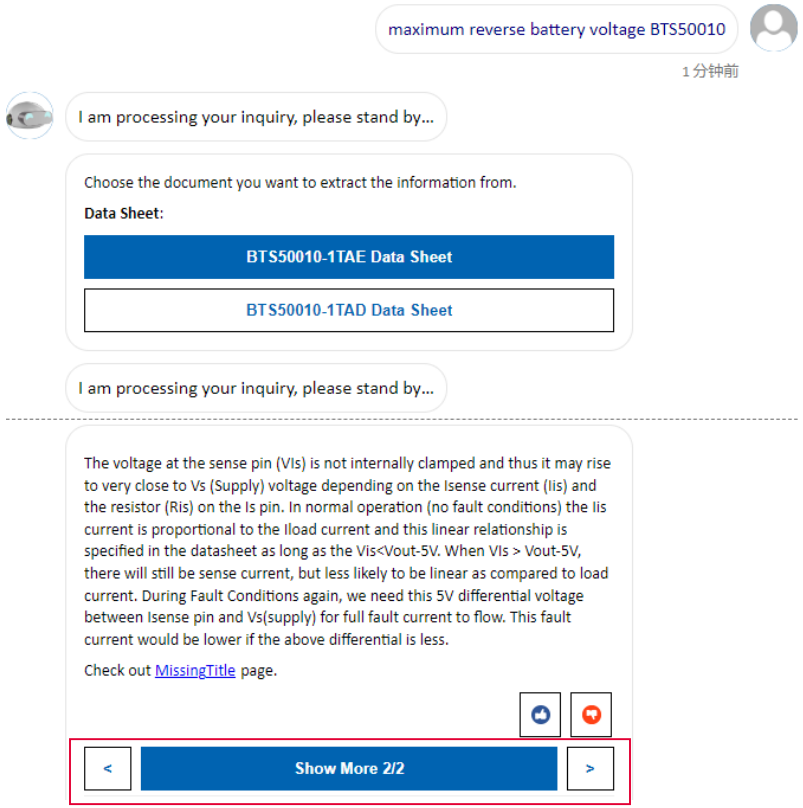

Developers Experiential Sharing

NEW

I can find answers shared by other users from forums, blogs, and knowledge based articles of Infineon Developer Community.

Note: Scroll the carousel navigation of search output to view relevant content about your products

Find Infineon Product Documents

Simply type in a valid part number, I can find relevant documents for you.

Tip: Enter part number without spaces; shorter part number works better than long part number

IMC101T

Just now

I understand that you are looking for the Infineon part of „IMC101T".

Which one are you looking for the input ('IMC101T')?

- Show Relevant FAQs
- Product Status
- Data Sheet
- User Manual
- Application Note

I found this product information for you!

The product information for the input ('IMC101T')

- IMC101T-F064
- IMC101T-Q048
- IMC101T-T038
- IMC101T-F048

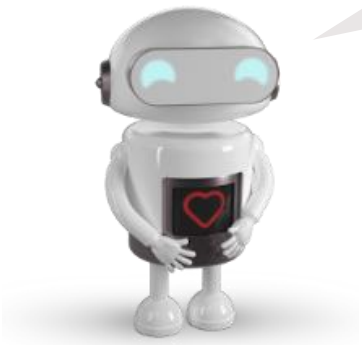

Note:

- 'IMC101T' doesn't exist, so I helped to search using wild card '*IMC101T*'.
- 4 results found for input 'IMC101T'.

Find Cross Reference

I can help to find a compatible Infineon part for competitor‘s device based on the part number you told me.

Tip: shorter part number works better than long part number

NGTB50N60L2

Just now

I understand that you are looking for cross reference for „NGTB50N60L2“.

I found this cross reference for you!

The cross references for the input (‘NGTB50N60L2’)

NGTB50N60L2

Vendor Product	NGTB50N60L2
Vendor Name	On Semiconductor
Infineon Product	IKFW50N60ET
Datasheet	IKFW50N60ET
Product status	active and preferred
Order Online	Y
Short Description	Discrete IGBT with Anti-Parallel Diode
Similarity Info	Similar

Note:

- 1 results found for input ‘NGTB50N60L2’.

Find Replacement for Discontinued Product

I can also help to find a replacement for the discontinued Infineon product based on the part number you told me.

Tip: shorter part number works better than long part number

replacement for IRF1404ZSPBF

I understand that you are looking for replacement product for „irf1404zspbf".

I found this replacement product for you!

The discontinued products for the input ('irf1404zspbf')

IRF1404ZSTRLPBF

Discontinued Product:

Sales Name	IRF1404ZSPBF
SP Number	SP001559466
Package	D2PAK
Announcement Date	2018-06-12
Last Order Date	2018-12-15
Last Delivery Date	2019-06-15

Replacement Product:

Sales Name	IRF1404ZSTRLPBF
SP Number	SP001564720
Package	D2PAK
Documents	Datasheet,Application Note,

Note:

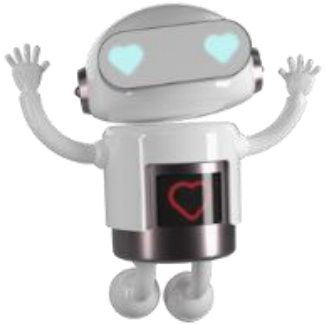

- 'irf1404zspbf' doesn't exist, so I broaded the search to '*irf1404zspbf*'.
- 1 results found for input 'irf1404zspbf'.
