We Differentiate as Quality Leader

Customer focus	Leadership for Quality	Deviation culture	Lifecycle stability
We understand customer needs and offer right fit products & services in time.	We ensure focus on quality objectives in the organization. We are effective, efficient, fast and data-driven.	We strive for deviation avoidance, early detection & fast reaction and systemic learning.	We control development, ramp up and manufacturing and ensure risk management.

Continuous Improvement is part of our business.

From design, to manufacturing and delivery – all areas participate in our Next Level of Zero Defect (NLoZD) initiative with a variety of projects to improve processes, methods, tools and detection along the complete value chain.
