

Senior Staff Mfg Engineer - Etch

Job description

We are currently seeking a talented Senior Staff Mfg Engineers who want to join a dynamic and experienced team and take their technical knowledge to the next level in our mission of excellence.

In your new role you will:

- Be responsible for one or more Plasma Etch processes (oxide, metal, nitride, poly). This includes maintaining and improving process control by ensuring proper SPC (statistical process control), APC(advanced process control), and FDC (fault detection control) are in place.
- Be responsible for resolving process, defect, and yield issues while driving improvements in tool availability, throughput, and utilization by working cross functionally with industrial, product, and equipment engineering teams.
- Be able to drive down overall costs and process waste while maintaining high product quality.

Profile

You are best equipped for this task if you have:

- BS or higher in engineering field
- 5+ years of semiconductor process engineering experience
- Experience with plasma etch manufacturing processes (oxide, metal, nitride, poly)
- Experience with SPC, APC, and FDC processes and modeling
- Proven ability to balance multiple projects and priorities
- Strong verbal and written communication skills
- Looking to be a positive member of a problem solving team

Why Us

Part of your life. Part of tomorrow.

We make life easier, safer and greener – with technology that achieves more, consumes less and is accessible to everyone. Microelectronics from Infineon is the key to a better future. Efficient use of energy, environmentally-friendly mobility and security in a connected world – we solve some of the most critical challenges that our society faces while taking a conscientious approach to the use of natural resources.

Spansion LLC is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex (including pregnancy, childbirth, or related medical conditions), gender identity, national origin, ancestry, citizenship, age, physical or mental disability, legally protected medical condition, family care status, military or veteran status, marital status, domestic partner status, sexual orientation, or any other basis protected by local, state, or federal laws. Applicants with questions about access or requiring a reasonable accommodation for any part of the application or hiring process should contact the Talent Network by phone at (408) 503-2194.

Employment at Infineon is contingent upon proof of your legal right to work in the United States under applicable law, verification of satisfactory references and successful completion of a background check and drug test, and signing all your onboarding documents .

In some instances, if applicable, U.S. export control laws require that Infineon obtain a U.S. government export license prior to releasing technologies to certain persons. This offer is contingent upon Infineon's ability to satisfy these export control laws as related to your employment and anticipated job activities. The decision whether or not to submit and/or pursue an export license to satisfy this contingency, if applicable, shall be at Infineon's sole discretion.

IMPORTANT NOTICE :

Infineon is requiring all new U.S. employees and contractors to be fully vaccinated against COVID-19. Full vaccination is defined as two weeks after both doses of a two-dose vaccine or two weeks since a single-dose vaccine has been administered. Anyone unable to be vaccinated, either because of a sincerely held religious belief or a medical condition or disability that prevents them from being vaccinated, can request a reasonable accommodation.

Infineon Technologies takes data privacy and identity theft very seriously. As such, we do not request personally-identifiable information (PII) from applicants over the internet or electronically. Please kindly refrain from disclosing your PII electronically during the application process or to unauthorized websites that may purport to be Infineon or any of our affiliates.
