

Staff Specialist Cost Engineering

Job description

Do you armed with an entrepreneur mindset and passionate in cost effectiveness? Join us as a Cost Engineering expert and make an impact in the product cost competitiveness of RFS products in backend post development. If you are ready for the challenge, apply today to find out more!

In your new role you will:

- Be responsible for **product cost competitiveness of RFS products** in backend post development; creation of cost transparency, systematically derive cost down improvement e.g. in cost workshops and bring the cost down ideas to roadmap
- **Cost of Sales improvements** through yield, test or process improvements in close cooperation with all related production sites
- **Lead cost down projects** and initiatives
- Drive improvement of **RFS products performance and profitability** to maximize the gross margin improvement (GMI) of RFS Business Line

Profile

You are best equipped for this task if you have:

- Bachelor's Degree in Engineering / Physics / Telecommunication / Electronics
- Obtained knowledge in **cost down activities** in **Assembly / Test Engineering**
- Have a good understanding of **Backend Manufacturing Processes**
- **Entrepreneurial spirit** to represent Infineon towards **subcons** and internal customers
- Agile and willingness to adapt to volatile business situations
- Strong **interpersonal** and **communication skills** to ensure effective collaboration with internal and external stakeholders

Technologies Asia Pacific Pte Ltd (“Infineon”) can only allow individuals who are (a) fully vaccinated, (b) certified to be medically ineligible for a vaccine or (c) have recovered from COVID-19 within a prescribed period, onto company premises. Therefore, Infineon requires all new employees, as well as contractors and business partners, to be fully vaccinated against COVID-19. “Fully vaccinated” means individuals have completed the full regime of an approved COVID-19 Vaccine as listed under the World Health Organization (WHO) Emergency Use Listing (EUL) including the respective post-vaccination period to ensure the vaccine has become full effective. Anyone who is unable to be vaccinated due to an approved and/or recognised exemption condition may apply for special consideration.
