

Staff Tech Mfg Equip Maint - Cleans/Wets

Job description

Are you actively looking for a new career challenge? Do you strive to be part of a global, innovative company? If you are passionate and consider yourself to be determined and ambitious, we have the perfect opportunity for you here at Infineon! Join our dynamic team as our next Manufacturing Equipment Maintenance Technician!

In your new role you will:

- Be part of an equipment services team in the semiconductor industry
- Support and participate in a Safety, 5s, and Standard Work culture
- Identify opportunities to continuously improve the area and factory performance
- Interact with other team members toward the solution of problems, and the fulfillment of manufacturing objectives
- Make routine decisions based on area priorities that affect production material and equipment
- Work with the shift leadership team and other maintenance technicians to drive the team's overall success
- Document maintenance performed
- Perform other duties as assigned by manager
- Able to work B shift schedule (Compressed, Front end of week, Night shift)

Profile

You are best equipped for this task if you have:

- Familiarity in Cleans/ Wet Chemical and have experience with TEL UW200Z, TEL UW8000, DNS hood 200mm platforms/ equipment sets
- Associate of Applied Science degree (A.A.S.), or technical trade school certificate preferred but not required. Work experience will be considered.
- 5-7 years of experience in an Equipment Maintenance role within the Semiconductor industry
- Ability to work in a Class 1 clean room environment
- High focus on a Safety, Quality, Delivery, and 5S culture
- Capable of demonstrating analytical troubleshooting methods (Root Cause Analysis, 8D Problem Solving, and 5-why), and First Time Right repair skills
- Able to follow preventative maintenance and Standard Work procedures

Why Us

Part of your life. Part of tomorrow.

Infineon is a world leader in semiconductor solutions that make life easier, safer, and greener. Our solutions for efficient energy management, smart mobility, and secure, seamless communications link the real and the digital world.

Spansion LLC is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex (including pregnancy, childbirth, or related medical conditions), gender identity, national origin, ancestry, citizenship, age, physical or mental disability, legally protected medical condition, family care status, military or veteran status, marital status, domestic partner status, sexual orientation, or any other basis protected by local, state, or federal laws. Applicants with questions about access or requiring a reasonable accommodation for any part of the application or hiring process should contact the Talent Network by phone at (408) 503-2194.

Employment at Infineon is contingent upon proof of your legal right to work in the United States under applicable law, verification of satisfactory references and successful completion of a background check and drug test, and signing all your onboarding documents .

In some instances, if applicable, U.S. export control laws require that Infineon obtain a U.S. government export license prior to releasing technologies to certain persons. This offer is contingent upon Infineon's ability to satisfy these export control laws as related to your employment and anticipated job activities. The decision whether or not to submit and/or pursue an export license to satisfy this contingency, if applicable, shall be at Infineon's sole discretion.

IMPORTANT NOTICE:

Infineon is requiring all new U.S. employees and contractors to be fully vaccinated against COVID-19. Full vaccination is defined as two weeks after both doses of a two-dose vaccine or two weeks since a single-dose vaccine has been administered. Anyone unable to be vaccinated, either because of a sincerely held religious belief or a medical condition or disability that prevents them from being vaccinated, can request a reasonable accommodation.

Infineon Technologies takes data privacy and identity theft very seriously. As such, we do not request personally-identifiable information (PII) from applicants over the internet or electronically. Please kindly refrain from disclosing your PII electronically during the application process or to unauthorized websites that may purport to be Infineon or any of our affiliates.
