

Driving decarbonization and digitalization. Together.

Business Analyst for Pricing & Quoting (f/m/div)

Job description

Are you a communicative person with an analytical mindset? Do you have an affinity for numbers and are you ready for a challenge in a global company? Then, join our team in Porto and don't miss the chance to become our Business Analyst for Pricing & Quoting.

As a Business Analyst for the Pricing & Quoting, you will establish a sustainable monitoring and maintenance process for systems and platforms within Infineon's pricing landscape, such as Volume Purchase Agreement (VPA) Tool, SAP CRM pricing platform and reporting tools.

In your new role you will:

- **Manage and administrate the VPA process** in alignment with the regional VPA Tool support teams;
- Ensure **data preparation and handling within the VPA process** in alignment with the responsible Pricing Intelligence specialists;
- **Write Business specifications and execute user acceptance tests** across Infineon pricing tools landscape such as VPA Tool, SAP CRM and IQ APP;
- **Contribute to permanent up to date training material** within Infineon pricing tools;
- **Engage in regular pricing & quoting tools & processes Webinars** with Sales and Marketing team;
- Provide **analysis on existing reporting data** on request.

Profile

You are organized and able to work in a fast paced and structured way. Furthermore, you are a proactive person with a great set of communication skills that allow you to establish good professional connections with others.

You are best equipped for this task if you have:

- A degree in **Business Administration, Economics** or similar field of studies;
- At least **1 year of experience in pricing, marketing** or similar functions in the **technology industry** is highly preferred;
- Strong **knowledge of MS Excel** – formulas and VBA Macros development and basic SQL knowledge is a plus;
- Ability to **work independently** and in a **structured** way;
- A **proactive mindset** and a **sense of urgency** and **attention to detail**;
- **Fluency in English** (mandatory).
