

## Student Job: R&D Communication (f/m/div)\*

### Job description

You have a passion for Design and want to gain practical insights into an international high-tech company? In this student job you will support our digital design team in Infineon's central R&D department DES to present itself to other Infineon departments as well as to external organizations. You will be responsible for creative as well as managerial tasks. Does this sound interesting to you? Then don't hesitate and apply now. We are looking forward to your application.

In your new role you will:

- Support the **presentation of the R&D department DES** to other Infineon departments as well as to external organizations;
- Help with the **design of presentations** and the **creation of stakeholder lists**, etc.;
- Be responsible for the **creation and maintenance of intranet webpages**.

### Profile

You are best equipped for this task if you:

- Currently study **Business Administration** or a similar field;
- Have a high command of **MS PowerPoint**;
- Are a **very good communicator and presenter**;
- Possess **skills in graphical design**; skills in web design are a plus;
- Show a **good sense for esthetics**, "**common look and feel**" and **brand creation**;
- Ideally have an **entrepreneurial mindset**;
- Are **open-minded to dealing with technical content**, so engineering skills are not required;
- Preferably **speak German**.

Please attach the following documents to your application:

- CV in English
- Certificate of enrollment at university
- Latest grades transcript
- High school report
