

## Customs Specialist (f/m/div)\*

### Job description

Are you an experienced professional with interest in Logistics or Supply Chain? Are you looking for an opportunity where you can combine your analytical mindset with your excellent communication skills? Then don't miss the chance to join our Shared Service Center in Porto as a Customs Specialist and be part of a global, fast-moving, and future-oriented company.

As a Customs Specialist, you will work in an international environment supporting our Logistics team in Germany.

In your new role you will:

- **Prepare customs clearances** for Customs departments;
- **Support** the maintenance of **customs master data**;
- Generate, combine and **analyze data for established reports**;
- **Collaborate with customs managers** to solve discrepancies;
- **Run inquiry and ad-hoc reports** as requested;
- Be responsible to **prepare and provide data for customs clearance**.

### Profile

You have excellent communication skills and a structured and analytical working style. Moreover, you are a team player who can establish sustainable relationships within your team and with others.

You are best equipped for this role if you have:

- A degree in **Business Administration, Finance, Accounting** or similar field of studies;
- **Experience in Logistics, Customs or Global Trade** Management;
- Experience in a Shared Service Center environment is an advantage;
- **Good knowledge of Microsoft Office** tools, especially **Excel** – SAP is a plus;
- An **analytical mindset** and the **ability to pay attention to detail** at all times;
- **Fluency in English** – knowledge of German is an advantage.
