

Senior Specialist Project Management Office - Focus Budget Planning & Controlling (f/m/div)*

Job description

Are you excited to interact with different internal Infineon departments as well as with all central RnD stakeholders? As a Senior Specialist Project Management Office - Focus Budget Planning & Controlling, you will come into contact with a wide range of contacts and challenges and will be able to demonstrate your planning and controlling skills.

Your new responsibilities include:

- **Be responsible for yearly budget target setting and monthly budget alignment** within the internal central Infineon RnD department
- **Create management reports and data analysis** in the areas of budget and project management
- **Keep updated budget processes** to facilitate the cooperation between the internal central Infineon RnD department and Infineon's divisions
- **Support of the internal central Infineon RnD department and Infineon's divisions** in terms of budget
- **Collaboration and interaction with internal partners and business lines**
- **Strengthen knowledge exchange and communication** within project manager community

Profile

You are personally committed to customer concerns and give them a high priority. In doing so, you build up a trusting and constructive cooperation with stakeholders in order to successfully support the internal Infineon RnD department. Your open and direct communication style as well as your fair interaction within the team and stakeholders complete your profile. With your new ideas you add value and contribute to successful team results.

You are best equipped for this task if you have:

- A degree in **business administration** or similar
- At least **5+ years of working experience as financial controller**, preferably experience in the **semiconductor industry and agile project management**
- Long lasting experience in **financial forecast, budget planning and controlling**
- Profound knowledge in using **agile software tools e.g. Confluence, JIRA** as well as **Tableau, iShare, MS Office and KLUSA**
- Additional qualification in **strategic planning and development**
