

## Werkstudent: Angebotsabwicklung Distribution (w/m/div)\*

### Job description

Your goal is to continuously work on doing things better, faster and more efficiently? Through your way of communicating, you quickly build sustainable relationships and show your interest in new topics with active listening and trial and error, which also allows you to identify future customer needs. Then we should get to know each other. Our team in Munich is looking forward to receiving your application. You should live close to the site: More than 150 km distance is not recommended for a working student job due to the travel.

In your new role you will:

- **Process and verify quotes** requested by distributors, taking into account **distribution-specific processes**
- Independent **evaluation of information** from various data systems
- Take over **customer-specific pricing and quotation preparation** as well as timely **feedback to the customer**; if necessary, in coordination with colleagues from Sales and Marketing

### Profile

You are best equipped for this task if you have:

- Are currently studying **business administration, economics** or a related course of study
- Ideally already have experience in the areas of **offer and price management within sales or marketing**
- Have **organizational skills, good communication skills** and the ability to **work in a team**
- Like to **work independently** and are interested in **customer data online tools**
- Are proficient in the use of **MS Office applications**
- Have a good command of written and spoken **German and English**

Please attach the following documents to your application:

- CV in English
- Certificate of enrollment at university
- Latest grades transcript (not older than 6 months)
- High school report
