

## Senior Manager Consolidation / Group Accounting (f/m/div)\*

### Job description

You have an excellent understanding of financial numbers and love to see the big picture? You also like to take a deep dive into that numbers to discover where it all came from and provide meaningful insights to your internal customers? As Senior Manager Consolidation you will be a member of the legal consolidation team which is part of a greater department with responsibilities in both Affiliates and Consolidation. Sounds interesting? Take your chance and apply now!

In your new role, you will:

- Be co-responsible for the **preparation of the Group's Balance Sheet, Income and Cash Flow statement as well as Equity and Dividend Consolidation**
- **Coordinate the pension accounting process** with both the actuary and Legal Entities
- Perform **analytical reviews of consolidated data, prepare reports for management** and support the external financial reporting
- **Drive different projects related to accounting, consolidation or reporting** (e.g. related to M&A activities, group re-structurings)

### Profile

With your strong analytical skills, you work conscientiously on making things more efficient and live up to high quality standards. You remain focused on results and keep deadlines even under pressure and in complex situations. At the same time you are personally committed to the concerns of your internal customers and award them high priority. Therefore you are a team player, cooperate across boundaries, internally and externally, and appreciate the contributions of other people.

You are best equipped for those tasks if you have:

- A **degree** with focus on financial accounting / controlling
- At least **6 years of relevant work experience with focus on financial accounting and/ or group accounting (consolidation) in accordance with IAS/IFRS and segmentation**
- Good knowledge of **finance IT tools** such as SAP, SAP BW, Hyperion (HFM), Onestream.
- **Fluent German and English language skills**

# Why Us

**Part of your life. Part of tomorrow.**

We make life easier, safer and greener – with technology that achieves more, consumes less and is accessible to everyone. Microelectronics from Infineon is the key to a better future. Efficient use of energy, environmentally-friendly mobility and security in a connected world – we solve some of the most critical challenges that our society faces while taking a conscientious approach to the use of natural resources.

*\* The term gender in the sense of the General Equal Treatment Act (GETA) or other national legislation refers to the biological assignment to a gender group. At Infineon we are proud to embrace (gender) diversity, including female, male and diverse.*
