

Senior Specialist Trade Compliance (f/m/div)*

Job description

Quality and efficiency are key-drivers for successful results. Are you a fast-thinking professional? Are you a team player with a positive working attitude? We have the right challenge for you here at Infineon in Porto. Join us as a Senior Specialist Trade Compliance and share your expertise with a young and dynamic team within a multinational environment.

As a Senior Specialist Trade Compliance, you will be responsible for analysis and implementation of effective measures concerning Export Control regulations to avoid sanctions and penalties against Infineon.

In your new role, you will:

- **Define and create BI and SAP reports** combining analytics with Export Control expertise;
- Perform **Export Control Audits** in European sites remotely;
- Perform **plausibility and data quality checks** of Export Control related data;
- Be responsible for **customer and supplier's related controls**;
- Act as the **interface to HR for the planning and execution of Export Control trainings** in Europe;
- Provide **guidance on internal inquiries** related to national (including EU), international **trade laws and regulations and anti-terrorism regulations**.

Profile

You demonstrate a strong customer orientation and communication skills that support you in quickly establishing successful relations with others. You demonstrate high quality standards for your work and generate value with your ideas and solutions.

You are best equipped for this task if you have:

- A **degree in Business Administration, Law** or similar field of studies;
- At least 5 years of **experience in Trade Compliance**, preferably in an international and multicultural environment;
- Experience with **Microsoft Office tools and SAP** is an advantage;
- Ability to **work independently** but also have a **team player mindset**;
- Ability to **focus on results** and **meet deadlines**;
- Fluency in **English and German**.

Why Us

Part of your life. Part of tomorrow.

We make life easier, safer and greener – with technology that achieves more, consumes less and is accessible to everyone. Microelectronics from Infineon is the key to a better future. Efficient use of energy, environmentally-friendly mobility and security in a connected world – we solve some of the most critical challenges that our society faces while taking a conscientious approach to the use of natural resources.

– Feel welcome at Infineon Shared Service Center in Porto! –

Our multifunctional business model is focused on high-quality services through operational excellence with engaged people. We are recognized globally at Infineon as a valuable business partner.

These are the main business services on our site: Finance, Purchasing, Human Resources, Robotic Process Automation, IT, Audit, Legal, Compliance, Business Continuity among other areas that consolidate us as a high-quality partner.

You will find a very open and approachable working culture in Infineon Porto. Our office space has also been designed to promote our people's engagement and well-being at work.

** The term gender in the sense of the General Equal Treatment Act (GETA) or other national legislation refers to the biological assignment to a gender group. At Infineon we are proud to embrace (gender) diversity, including female, male and diverse.*
