Why Us

Part of your life. Part of tomorrow.

Infineon is a world leader in semiconductor solutions that make life easier, safer, and greener. Our solutions for efficient energy management, smart mobility, and secure, seamless communications link the real and the digital world.

– **You can find the headquarters of Infineon Technologies AG in Neubiberg** –

In Campeon, besides working towards our goal of being one of the most sustainable companies in the world, we are improving everyone's future by making the technology of tomorrow.

At Infineon, we are also very focused on work-life balance, so here you will be a step away from the center of Munich where you can surf in the Englischer Garten and drink a fresh beer after work.

* *The term gender in the sense of the General Equal Treatment Act (GETA) or other*

national legislation refers to the biological assignment to a gender group. At Infineon we are proud to embrace (gender) diversity, including female, male and diverse.
