

## ICW BL Finance Manager

### Job description

Are you actively looking for a new career challenge? Do you want to be part of an innovative company? If you are passionate about both controlling and accounting topics and consider yourself as determined and ambitious, we have the perfect opportunity for you here at Infineon! Join our dynamic team as our next BL Finance Manager.

#### In your new role you will:

- Serve as **finance partner** to the ICW Product Line (PL) and Product Line Controlling Teams.
- Organize the **budgeting and forecasting** activities for the product line including the 5-year plan, annual budget and quarterly forecast(s) for Revenue, Gross Margin, Spending and Headcount.
- Provide monthly management **reporting of revenue**, actual spending, product costs and variance analysis.
- Guide **PL management** on financial issues, evaluate business proposals, and make recommendations for optimizing the financial impact of business initiatives.
- Provide **financial support** on operative and strategic portfolio management topics.
- Support the **consolidation**, review and signoff of new product proposals.

### Profile

#### You are best equipped for this task if you have:

- **BS/BA Finance**, Business or Accounting.
- **7+ years** of financial and accounting experience.
- Demonstrated success in working in a large **multi-national corporation**.
- **Oracle/ SAP** or equivalent.
- Ability to Absorb information quickly, **evaluate information** and data under different perspectives and understand correlation.
- **Business mindset**, expressed by a high cost conciseness, passion to grow profits and results orientation.
- Excellent **interpersonal skills** with a demonstrated ability to work with all levels and collaborate with partners across an international organization.
- **Integrity** in all circumstances.
- **Detail oriented**, organized and accurate.

## Why Us

### **Part of your life. Part of tomorrow.**

We make life easier, safer and greener – with technology that achieves more, consumes less and is accessible to everyone. Microelectronics from Infineon is the key to a better future. Efficient use of energy, environmentally-friendly mobility and security in a connected world – we solve some of the most critical challenges that our society faces while taking a conscientious approach to the use of natural resources.

*Cypress Semiconductor Corporation is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex (including pregnancy, childbirth, or related medical conditions), gender identity, national origin, ancestry, citizenship, age, physical or mental disability, legally protected medical condition, family care status, military or veteran status, marital status, domestic partner status, sexual orientation, or any other basis protected by local, state, or federal laws. Applicants with questions about access or requiring a reasonable accommodation for any part of the application or hiring process should contact the Talent Network by phone at (408) 503-2194.*

Employment at Infineon is contingent upon proof of your legal right to work in the United States under applicable law, verification of satisfactory references and successful completion of a background check and drug test, and signing all your on-boarding documents .

In some instances, if applicable, U.S. export control laws require that Infineon obtain a U.S. government export license prior to releasing technologies to certain persons. This offer is contingent upon Infineon's ability to satisfy these export control laws as related to your employment and anticipated job activities. The decision whether or not to submit and/or pursue an export license to satisfy this contingency, if applicable, shall be at Infineon's sole discretion.

**IMPORTANT NOTICE:**

Infineon is requiring all new U.S. employees and contractors to be fully vaccinated against COVID-19. Full vaccination is defined as two weeks after both doses of a two-dose vaccine or two weeks since a single-dose vaccine has been administered. Anyone unable to be vaccinated, either because of a sincerely held religious belief or a medical condition or disability that prevents them from being vaccinated, can request a reasonable accommodation.

Infineon Technologies takes data privacy and identity theft very seriously. As such, we do not request personally-identifiable information (PII) from applicants over the internet or electronically. Please kindly refrain from disclosing your PII electronically during the application process or to unauthorized websites that may purport to be Infineon or any of our affiliates.
