

ServiceNow analyst for HR (f/m/div)*

Job description

Do you want to combine your project expertise with your affinity for technology? Do you want to be part of Infineon's HR digitalization journey by delivering the best solutions for our HR customers? If you are looking for a role where you contribute to a multinational HR project, then this is your chance to join our team in Porto or Munich as a ServiceNow Analyst for HR. Join us and be part of this amazing journey.

As a ServiceNow analyst for HR, you will work in our newly launched HR Platform "ServiceNow HR Service Delivery" by fostering digitalization and providing the best technical solutions to overcome the daily challenges.

In your new role, you will:

- Work in a **global HR project** aiming for creating maximum value for our customers by **automatization and digitalization** of processes, tasks, and workflows;
- Work with your colleagues to **analyze the digitalization needs and align a roadmap** to drive automation and digitalization within Infineon HR;
- Collaborate with HR and IT counterparts in an agile way to **analyze requirements and demands** in detail and **propose technical solutions** in ServiceNow;
- **Create and implement technical solutions** in ServiceNow;
- Act as an **ambassador for digitalization**.

Profile

You are proactive, result-oriented, and have a structured and self-driven working style. Besides this, your high-quality standards and agile mindset allow you to produce efficient results and a service of excellence.

You are best equipped for this task if you have:

- **A degree in Computer Science, Information Technology, Business Administration,** or another relevant field of studies;
- 1-2 years of relevant work **experience within HR and IT departments**, ideally in an international environment;
- **Strong analytical skills and structured way of working;**
- **Experience or willingness to learn how to work with ServiceNow HR Service Delivery** or similar software including relevant certifications is a plus;
- **Fluency in English** (mandatory), German is a plus.
