

Senior Manager Corporate Campaign & Event Management

Job description

To increase the reach and impact of Infineon's profile and visibility through the delivery of high-value and influential campaigns & customer communications in Greater China. Thereby significantly contributing to the business growth.

In your new role you will:

1. Lead the team to formulate corporate campaign & event management strategies for Infineon Greater China that are customized to fit business objectives and illustrated through cohesive, compelling plans with budget control.
2. Plan and drive corporate events, tradeshows, conferences like OktoberTech, Electronica, Elexcon, WBG Conference, etc. ensuring key messages are conveyed and consistent communication between customers, partners, and stakeholders;
3. Plan and drive cross-division campaigns, like IoT, energy efficiency, and new mobility. Plan and promote leading technologies of Infineon, and enable business innovation through regional eco-system events across the industry value chain.
4. Fully utilize digital and virtual platforms to manage various campaigns by working with different divisions, relevant functional depts, and the teams within the Communication department.
5. Manage the campaign & event management budget and cost tracking to ensure program milestones are achieved on time and within budget.
6. Lead and support other communication initiatives in Greater China.

Profile

You are best equipped for this task if you have:

1. Bachelor's Degree or above, in Marketing, Communications, journalism, or other relevant areas; with a semiconductor background is a plus.
2. 10+ years of relevant experience in marketing and communications role with a multinational company or PR/event agency would be preferred
3. Strong team and project management experience with great communications skills, team spirit, and a can-do spirit
4. Proficiency in both spoken and written English and good command of MS office software application
