

Export Control Analyst (f/m/div)*

Job description

Are you a team player with a positive working attitude? Do you enjoy interfacing with different counterparts? Then, we have the right challenge for you at Infineon in Porto! Join us as an Export Control Analyst and be part of a young and dynamic team within a multinational environment.

As an Export Control Analyst, you will be responsible for the operations of the Export Control team for different Infineon legal entities.

In your new role, you will:

- Be responsible for **Sanction Party Screenings**;
- Perform **customer related controls** such as End Use(r) Checks;
- **Evaluate suppliers** prior to Master Data creation;
- Perform **plausibility checks**;
- Ensure the **maintenance of Export Control trainings** considering participants' feedback;
- Provide **guidance to internal inquiries** related to Export Control;
- Be responsible for other **internal Export Control** related tasks.

Profile

You demonstrate a strong customer orientation and communication skills that support you in quickly establishing successful relations with others. You demonstrate high quality standards for your work and generate value with your ideas and solutions.

You are best equipped for this task if you have:

- A **degree in Business Administration, International Relations, Law** or similar field of studies;
- At least 1 year of **experience in Compliance**, preferably in an international and multicultural environment;
- Experience with **Microsoft Office tools** – SAP is an advantage;
- Ability to **work independently** but also have a **team player mindset**;
- Ability to **focus on results** and **meet deadlines**;
- Fluency in **English** – German is a plus.
