

## Senior Program Manager

### Job description

As a Senior Program Manager, you will utilize your skills to manage Infineon's microphone and sensor products at leading OEM customers. You will be part of Infineon's Power, Sensor and Systems (PSS) division.

#### In your new role you will:

- Be responsible for the program management of Infineon's microphone and sensor products at leading OEM customers
- Capture product requirements and supports the development of new product ideas
- Provide input for market / competitor insights, value proposition, business case creation, positioning, pricing and product roadmap
- Ensure design-wins working together with Sales on product level
- Set and drive agenda for joint innovation and new product introduction (NPI) project customer meetings and update project trackers
- Collaborate with the global organization to ensure customer project milestones and sampling commitments are met
- Drive interaction with customer Engineering, Quality and EPM
- Drive design in status and identify roadblocks
- Ensure alignment with bare-die package partners in the US on joint customer projects
- Monitor sensor projects at subcontractors
- Ensure delivery of NPI build quantities to customer

### Profile

#### You are best equipped for this task if you have:

- 10+ years of industry experience in a technical marketing or program management role
- Bachelor's Degree or greater in Engineering or Computer Science
- Demonstrated excellence of project management skills
- Experience with acoustics and ASIC design
- Experience with MEMS sensors highly preferred
- Ability to communicate effectively and drive influence across functional boundaries
- High accountability and project execution oriented mindset

*Infineon Technologies Americas Corp. is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex (including pregnancy, childbirth, or related medical conditions), gender identity, national origin, ancestry, citizenship, age, physical or mental disability, legally protected medical condition, family care status, military or veteran status, marital status, domestic partner status, sexual orientation, or any other basis protected by local, state, or federal laws. Applicants with questions about access or requiring a reasonable accommodation for any part of the application or hiring process should contact the Talent Network by phone at (408) 503-2194.*

Employment at Infineon is contingent upon proof of your legal right to work in the United States under applicable law, verification of satisfactory references and successful completion of a background check and drug test, and signing all your on-boarding documents .

In some instances, if applicable, U.S. export control laws require that Infineon obtain a U.S. government export license prior to releasing technologies to certain persons. This offer is contingent upon Infineon's ability to satisfy these export control laws as related to your employment and anticipated job activities. The decision whether or not to submit and/or pursue an export license to satisfy this contingency, if applicable, shall be at Infineon's sole discretion.

### **IMPORTANT NOTICE:**

**Infineon is requiring all new U.S. employees and contractors to be fully vaccinated**

against COVID-19. Full vaccination is defined as two weeks after both doses of a two-dose vaccine or two weeks since a single-dose vaccine has been administered. Anyone unable to be vaccinated, either because of a sincerely held religious belief or a medical condition or disability that prevents them from being vaccinated, can request a reasonable accommodation.

Infineon Technologies takes data privacy and identity theft very seriously. As such, we do not request personally-identifiable information (PII) from applicants over the internet or electronically. Please kindly refrain from disclosing your PII electronically during the application process or to unauthorized websites that may purport to be Infineon or any of our affiliates.
