

## Senior Tax Specialist (f/m/div)\*

### Job description

Are you actively looking for a new career challenge? Do you consider yourself ambitious, determined, and focused on achieving the highest standards? Are you passionate about Finance and strive for continuous improvement? Then we have the perfect opportunity for you here at Infineon! Join our dynamic team in Porto as our next Senior Tax Specialist.

As a Senior Tax Specialist, you will be part of the Global Infineon TAX team and will focus on the Tax compliance and reporting obligations in Europe. Moreover, you will develop expertise and increase process efficiency and compliance by continuously monitoring, identifying, and implementing improvements.

In your new role you will:

- **Prepare and submit tax returns and statistical reports**, as well as necessary compliance checks according to defined deadlines ensuring that reports and reconciliations are concluded on time, assessments notices and audits are completed and well documented.
- Review **accounting records, document content, and applicability of legal regulations** monitoring correction of inaccurate data.
- **Ensure the relevant policies/practices are in line with Tax law, German Central Bank regulations and internal procedures**, actively contributing and supporting reporting related issues.
- Be responsible for the **correspondence with different departments and local /central business partners**, with regards to requirements and compliance.
- Collaborate in the integration of **new entities/activities**, definition and implementation of **new processes, tools and realities** that business decides, from reporting perspective.
- **Actively contribute in internal projects**, supporting on legislation updates, verifying the impact in process, aligning and adapting controls.
- **Identify opportunities for effective and efficient direct/indirect tax processes**, minimizing risk, promoting and implementing digitalization and automation.
- Provide **training to Finance**.
- Assure **clear and complete documentation** for all procedures.

### Profile

You have high-quality standards for your work and excellent analytical skills that support your attention to detail and focus on delivery. You have a problem-solver mindset and excellent organization and communication skills. Furthermore, your exceptional working ethics and 'hands-on' approach towards your job are your best
