

Senior Manager Strategic Project Management (f/m /div)*

Job description

Are you business-minded with an interest in sales and a good sense of numbers? Do you feel fascinated and enthusiastic about technology? Then we have a great opportunity for you! Automotive Sales Strategy & Operations is a new and exciting part of Sales & Marketing where we collect and evaluate sales & marketing information to maximize sales productivity. As part of our team, you will have the opportunity to work with a diverse group of professionals, including the company's executive management, sales and marketing experts, from Infineon globally. From the analytical aspect to strategical sales planning - the position provides exposure to and responsibility for a huge variety of topics of significant scale, scope and complexity.

In your new role you will:

- **Structure complex strategic topics** and **define work streams, projects** or strategies within Automotive Sales & Marketing
- **Driving innovation** by focusing on new approaches, industry trends and best-practices as well as implementation in close co-operation with different functions such as Regions, Product Lines, Central Functions and Finance
- Shape Infineon's **Automotive Sales & Marketing strategy** preparation
- **Developing strategies** together with cross-regional and cross-functional teams
- Defining & aligning **project targets and approach** (incl. scope/budget/timeline)
- **Leading** assigned **project member** and executing on project plan and escalate in time
- Be responsible for **change management & deployment** (incl. training)
- Ensuring that **improvement projects are pursued** according to Automotive Sales & Marketing strategy
- **Consulting projects** regarding Sales & Marketing related content as well as project management methods & tools
- **Monitoring project and business results** and proposing solutions where needed

Profile

You have the ability to process complex information including numerical intuition, analyze and recognize patterns. At the same time, you can communicate this information to all stakeholders in a comprehensible and transparent way. You are highly customer-oriented and know how to establish effective business partnerships in a cross-functional organization. You appreciate the input from other team members and benefit the dependencies and exchange within the team. At the same time, you demonstrate a high level of self-motivation and take over tasks independently and
