

Staff Engineer - Verification

Job description

Design Verification Engineer

Be part of a verification team utilizing leading-edge verification tools and methodologies to enable the functional verification of large, and complex memory devices.

Engineer is Responsible for:

- o Designing self-checking test benches using modern verification techniques
- o Implementing functional coverage and assertions using System Verilog and UVM
- o Developing test and functional coverage plans based on device specifications.
- o Analyzing and debugging simulation failures, as well as analyzing functional coverage results to guarantee zero defect outcomes.

Profile

1. Engineering degree preferably in Electronics / Electrical or equivalent experience with 7+ years of solid verification experience.
2. Ideal candidate would be involved in "from the scratch TB development" using System Verilog and UVM.
3. Expert level engineer in Verification with UVM methodology with reusable verification environments.
4. Experience in IC verification with constrained-random, coverage driven verification closure.
5. Experience developing and working with verification languages like System Verilog, OVM, UVM
6. A solid understanding of verification concepts and experience designing class-based test benches
7. C coding and Power aware simulation will be an advantage.
8. Excellent written and oral communication skills.
9. Strong debugging skills.

Benefits

- **Bangalore:** Coaching, mentoring & networking possibilities ; Wide range of training offers & planning of career development; Regional and local talent programs; International assignments; Career paths: Management career, Project management career, Technical ladder career, Individual contributor career, Professional career; Flexible work timing, Part time work, Work from home; Home office; Health & wellness reimbursement, Employee motivation forum, Spoorthi – Diversity club, Master health check up, Health promotion campaigns; Crèche facility; Annual success bonus; Medclaim (dependents & top up), Personal accident, Term life; National Pension Scheme; Health promotion
