

Internship: Corporate Strategy (f/m/div)*

Job description

You want to become a full-fledged member of our Corporate Strategy team? We are looking for a real team player who is enthusiastic about business, competitive and functional strategies, as well as has strong interest for state-of-the-art strategy planning tools and methods. Have you already gained first practical experience in Consulting or Corporate environment and want to get deeper insights into a multinational semiconductor company? Then this internship is a great opportunity for you! As an intern in Infineon CS department, you will work closely with CS team members and interact with stakeholders in other departments. You will also have the chance to gain first-hand experience in Infineon annual strategy process, particularly business strategies. The tasks and responsibilities you receive will depend on your performance.

In your new role you will:

- Developing **templates** for strategic **analyses**, consolidation and processing of planning data
- **Preparation** of internal briefing materials for **exchange** with **strategy planning** community
- **Analysis** and visualization of **market** and **business KPIs**
- **Project** support, e.g. research and **analysis**, **production** of slides

Profile

You are best equipped for this task if you:

- Have passed your **undergraduate** studies (**Bachelor**) with excellent results, preferably in **Business Administration**.
- Have **specific know-how and passion for business/ corporate/ functional strategy tools**, methods and common frameworks
- Have already gained some relevant **work experience from previous internships**, preferably with strategy background.
- Are a **team player, used to working in modern collaborative environment** and eager to contribute
- Are comfortable and competent with **analyzing complex financial data sets using Excel** and presenting the results with PowerPoint. Knowledge of Tableau and advanced analytic tools is a plus.
- Are **enthusiastic, show entrepreneurial spirit and strong interpersonal skills**.
- Excellent command of **English**, both written and oral.
- Very **good Microsoft Office skills**.
