

## Intercompany Accountant (f/m/div)\*

### Job description

Are you an experienced Accounting professional looking for a new challenge? Do you have the ambition to work in a vibrant and international environment? Look no further – we have the perfect opportunity for you! Apply now and join our Shared Service Center in Porto as an Intercompany Accountant.

As an Intercompany Accountant, you will be part of our Accounting Services and act as an interface and a partner within various Infineon legal entities. You will play a crucial role in this team, being responsible for the execution of reports that facilitate effective decision-making.

In your new role you will:

- Certify that all **accounting trade transactions between group companies are recorded** following the defined guidelines.
- Request **creation and maintenance of supplier and customer master data** record.
- Understand of **treasury policy** concerning intercompany payment run.
- Clear and maintain **transitory accounts**.
- Perform **trade reconciliations** within Infineon legal entities.
- **Analyze invoices** regarding purchase and sales orders.
- **Extract reports from the system** to ensure that any discrepancies are identified and solved promptly.
- Handle **automatic billing error corrections**.

### Profile

You have an analytical mindset and attention to detail at all times. Your team player attitude combined with excellent communication skills enables you to develop sustainable relationships within your team and with others. You thrive in an international context and are eager to work in a dynamic and global team. Furthermore, your high-quality standards and 'hands-on' approach towards your job are your best allies in the achievement of excellence.

You are best equipped for this task if you have:

- A degree in **Accounting, Economics, Finance** or similar field of studies.
- At least **1 year of experience in Accounting**, preferably in an international environment.
- Financial software experience in working with **Excel** and **SAP**.
- Strong **time management** and **problem-solving skills**.
