

Senior Specialist Smart Power Technologies (f/m /div)*

Job description

You want to be a part of the future? We at Infineon are part of the future and we are looking for you to shape it with us! Apply now and become our new Senior Specialist Production! Be part of the future, become a part of Infineon Villach!

In your new role you will:

- Work in the field of **Process Integration Engineering for Smart Power Technologies** in front-end production
- Be **responsible for yield and stability** of the technology family
- **Support** the deviation management and the process change management
- Have to ensure continuous improvement by **implementing yield-improving measures**
- **Work closely with experts** from product development and assembly

Profile

You are best equipped for this task if you have:

- A **technical or scientific degree** (university/university of applied sciences)
- Basic knowledge of **semiconductor physics** (as a plus)
- Knowledge of **statistical data processing** desirable
- Strong **problem-solving skills** and like working in an **international** team
- **Fluent English** and **good German** language skills

This position is subject to the collective agreement for workers and employees in the electrical and electronics industry, at least employment group F-G (<https://www.feei.at/leistungen/informations-service/mindestloehne-und-gehalter>). The monthly salary is paid 14 times p.a. A higher payment is negotiable depending on your expertise and skills. Furthermore, Infineon offers additional employee benefits.

Why Us

Part of your life. Part of tomorrow.

Infineon is a world leader in semiconductor solutions that make life easier, safer, and greener. Our solutions for efficient energy management, smart mobility, and secure, seamless communications link the real and the digital world.

At **Infineon in Villach** you shape the technologies of tomorrow and work in an international environment with more than 3900 colleagues from over 70 nations. Your personal contribution will be valued and appreciated as the cornerstones of our success. And all that in beautiful surroundings which guarantee a high quality of life.

The **City of Villach** is located in the center of Carinthia, Austria's southernmost province, in close proximity to the Italian and Slovenian border. Due to its particular geographic location and the outstanding natural beauty of the region, Villach and the whole province of Carinthia have for generations been popular holiday destinations for people from all over the world. Living in Austria also has many social, health-care-related and economic perks. The country's social and health care system is among the best in the world and for decades numerous international surveys have singled out Austria as a particularly safe and wealthy country with a high quality of life. Villach benefits from its status as a "small town", offering everyday living at affordable prices in an outstanding setting.
