

Senior Manager Anti Trust Governance (f/m/div)*

Job description

Are you an expert in antitrust law and are you familiar with the international environment, ideally of a hi-tech company? You are confident in developing and establishing a global antitrust concept effectively and practically at all levels of the workforce and have excellent communication skills? You have good judgment and decision-making skills and strongly believe in doing the right thing and helping employees continue to live these values. If this applies to you, then we want to talk to you! Apply now! Don't miss this opportunity to become part of our enthusiastic Compliance Office (CO) organization!

In your new role you will:

- Support in **developing a sustainable global Antitrust Concept** for Infineon
- **Enhances a common understanding of antitrust awareness** throughout Infineon globally
- **Provide guidance, advice and training in antitrust related topics** towards Infineon employees on different hierarchical levels including functional and division boards
- **Design and implementation** of internal anti-trust governance controls

Profile

You are personally committed to the internal customer's concerns and awards them a high priority. You share information comprehensively and effectively.

You are best equipped for this task if you have:

- A **degree in Law** or similar
- **Experience in an Antitrust, Legal or Compliance related Position** preferably in an international hi-tech industry or law firm
- **Legal background** with comprising good commercial knowledge
- **Established internal and external network** in (i) compliance community or (ii) legal community
- Requires **strategic global thinking** taking into consideration cultural differences
- Requires **convincing communication skills** in particular conveying unpleasant messages and steadfastness
- Requires **open mindedness, curiosity, willingness and ability to learn** and to develop his/her own personality and skillset
