

Student Job: Change and Leadership Communications (f/m/div)*

Job description

You like a diverse set of tasks, are reliable and are familiar with social media and online communications? Do you also want to gain practical insights into an international high-tech company and inspire your employees with professional content? Then this student job in Munich in the Corporate Communications team is just right for you! Apply now and become part of Infineon. We are looking forward to meeting you!

In your new role you will:

- Research and evaluate **background materials and discussions** on various corporate change topics
- Create **presentations and documentation**
- Update **intranet pages**, draft **text and articles** and distribute them online where applicable
- Help the team with creating photographs or videos as well as planning, coordinating and editing of **shootings**
- Organize, support and participate in **events and workshops**
- Support the **Change and Leadership Communications Team** in operational daily business

Profile

You are best equipped for this job if you:

- Are currently pursuing a **master** program in **Marketing, Communication, Social Studies, Business Administration** or an equivalent subject
- Have an interest or background in **communications, organizational psychology** or other related **social sciences**
- Ideally have experience with **creating websites, social media posts, video blogs** or **podcasts**
- Are savvy with **MS Office** and **communication tools** like PowerPoint, CMS and ideally Photoshop
- Can think **independently** and are **reliable** and **organized**
- Show an outstanding command of written and spoken **English** and communicate fluently in **German**

- High school report

Additionally, the following requisites apply for student jobs:

- **You have to be enrolled in either your Bachelor or your Master studies** to be eligible for a student job.
- **In the current situation, we particularly emphasis the health and safety of our employees, which is why we support working from home.** Nevertheless, you should not live more than 150 km away from the place of work, so that the location is easily accessible for you.

Why Us

Part of your life. Part of tomorrow.

Infineon is a world leader in semiconductor solutions that make life easier, safer, and greener. Our solutions for efficient energy management, smart mobility, and secure, seamless communications link the real and the digital world.

The **Communications & Public Policy (CP)** team tells the story of Infineon. Our responsibility is to spread the word about what makes Infineon special and shed light on the different ways in which microelectronics make the world more livable. Our stakeholders have different backgrounds and interests, therefore messages are adapted to specific internal and external target groups and the respective channel. The CP team spans all regions and is centrally organized along Corporate Communications, Public Policy, Strategy & CEO Communications and Center of Excellence.

** The term gender in the sense of the General Equal Treatment Act (GETA) or other national legislation refers to the biological assignment to a gender group. At Infineon we are proud to embrace (gender) diversity, including female, male and diverse.*
