

Working Student: IT Roles and Authorizations (f/m /div)*

Job description

You are currently studying and keep yourself up to date regarding the latest IT trends and digital technologies? You want to support the management in strategic topics and want to gain insights into an international high-tech company? Does this sound interesting to you? Our IT Authorization & Retention Services team in Munich is looking for a new team member. Don't hesitate and apply now! You should live close to the site: More than 150 km distance is not recommended for a working student job due to the travel.

In your new role you will:

- Document IT Roles & Authorizations related **processes, frameworks and workflows**
- Participate and organize **meetings and document meeting minutes**
- Create and maintain **monitoring dashboards**
- Communicate with **service providers**
- Support the management in **strategic topics** and create **management summaries and presentations**
- Support the team with **ongoing projects and operative activities**

Profile

You are best equipped for this task if you:

- Are currently studying **Computer Science, Mathematics, Economics** or an equivalent subject
- Already gained experience in **creating management summaries** and working with **Sharepoint and Confluence**
- Ideally have basic knowledge in **Identity and Access Management or SAP Roles and Authorizations**
- Ideally have **programming skills** or are keen to learn **basic programming languages**
- Bring very good knowledge of **MS Office**
- Have good **learning skills**, good understanding of **processes and workflows** and enjoy working **proactively**
- Are fluent in **English** and **German**
