

Staff Analyst Finance

Job description

Are you actively looking for a new career challenge? Do you want to be part of an innovative company? If you are passionate about both controlling and accounting topics and consider yourself as determined and ambitious, we have the perfect opportunity for you here at Infineon! Join our dynamic team as our next Staff Analyst Finance.

In your new role you will:

- Execute **monthly closing** and submit corporate financial reporting
- Prepare **quarterly** manufacturing cost and capital investment forecasts and annual cost projections
- Develop **Target Cost** model to provide cost targets for the next five business years
- Ensure proper **inventory** valuation by managing product costing update cycles, costing of new parts and assessing reserves
- Communicate Site **financial performance** to Management and lead processes with Site Management to meet cost targets
- Assess investment proposals for **business case** justification
- Ensure **fixed asset** records are accurate, investments are monitored and new assets are tagged

Profile

You are best equipped for this task if you have:

- Bachelor or Master **Degree** in Finance, Economics, Business Administration
- **Five years** of relevant financial experience, including experience in a manufacturing environment.
- **Self-directed** initiative, including the ability to identify opportunities for improvement and drive solutions
- Strong **communication** skills, including experience presenting financial analysis and making recommendations to Management.
- Highly **collaborative** and team-focused with excellent interpersonal skills, with the ability to build and cultivate strong relationships.

Why Us

Part of your life. Part of tomorrow.

Infineon is a world leader in semiconductor solutions that make life easier, safer, and greener. Our solutions for efficient energy management, smart mobility, and secure, seamless communications link the real and the digital world.

Infineon Technologies Americas Corp. is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex (including pregnancy, childbirth, or related medical conditions), gender identity, national origin, ancestry, citizenship, age, physical or mental disability, legally protected medical condition, family care status, military or veteran status, marital status, domestic partner status, sexual orientation, or any other basis protected by local, state, or federal laws. Applicants with questions about access or requiring a reasonable accommodation for any part of the application or hiring process should contact the Talent Network by phone at (408) 503-2194.

Employment at Infineon is contingent upon proof of your legal right to work in the United States under applicable law, verification of satisfactory references and successful completion of a background check and drug test, and signing all your onboarding documents .

In some instances, if applicable, U.S. export control laws require that Infineon obtain a U.S. government export license prior to releasing technologies to certain persons. This offer is contingent upon Infineon's ability to satisfy these export control laws as related to your employment and anticipated job activities. The decision whether or not to submit and/or pursue an export license to satisfy this contingency, if applicable, shall be at Infineon's sole discretion.

IMPORTANT NOTICE:

Infineon is requiring all new U.S. employees and contractors to be fully vaccinated against COVID-19. Full vaccination is defined as two weeks after both doses of a two-dose vaccine or two weeks since a single-dose vaccine has been administered. Anyone unable to be vaccinated, either because of a sincerely held religious belief or a medical condition or disability that prevents them from being vaccinated, can request a reasonable accommodation.

Infineon Technologies takes data privacy and identity theft very seriously. As such, we do not request personally-identifiable information (PII) from applicants over the internet or electronically. Please kindly refrain from disclosing your PII electronically during the application process or to unauthorized websites that may purport to be Infineon or any of our affiliates.
