

Working Student: oneSAP – Project Communication (f/m/div)*

Job description

You are currently studying Marketing, Communication, Journalism or Business Administration and would like to gain practical experiences by working in a large project within an international DAX40 company? Then take a look at this exciting opportunity in the oneSAP Change Management, Communication & Training team! In this job, you will focus on journalistic and creative work: Event management, news and updates as well as training and change management. You will be part of the exciting global roll-out of the oneSAP project, transforming the work lives of around half of all Infineon employees. Sounds like the perfect match for you? Then don't hesitate and apply now! We are looking forward to meet you!

In your new role you will:

- Support in planning and executing (virtual) **team events**
- Help conducting and write **interviews and articles** e.g. for our internal intranet
- Maintain different **communication platforms** e.g. the Intranet and the oneSAP Community, which is based on Microsoft Sharepoint, Webex, Slido, Miro Board
- Proof-read and record **training modules**
- Create attractive PowerPoint **presentations and artwork** in line with the Infineon brand
- Be involved in **global change management activities** across many Infineon locations worldwide

Profile

You are best equipped for this task if you:

- Are currently studying **Marketing, Communication, Journalism, Business Administration** or an equivalent subject
- Are an **open-minded person** and love to **work in a team**
- Are **creative** and like to **write**
- Are very well versed in working with **Microsoft Office**, especially **Excel, PowerPoint** and **Word**
- Show an outstanding command of **written and spoken English**
