

General Ledger Accountant (f/m/div)*

Job description

Do you consider yourself a team player who is able to quickly establish a successful cooperation with others? Do you generate value with your ideas and solutions and set high standards for your own work? Then you should apply now to join the team responsible for the Americas region as a General Ledger Accountant.

As a General Ledger Accountant, you will support the Americas region by taking over various transactional activities. You will become a key partner to the business, facilitating effective decision-making through accurate information.

In your new role you will:

- Participate in the **month-end closing procedures** of group consolidated entities.
- Handle daily **banking transactions, general entries, and account reconciliation**.
- Understand **accounting policies** and apply on daily and **closing procedures**.
- Be responsible for **verifying the accuracy, completeness, and consistency** of the received accounting data.
- Act as an **interface with local accounting, financial controllers**, and other business partners.

Profile

You are a problem solver with a cooperative approach to work and high-quality standards. You remain focused and goal-driven even when under pressure. Furthermore, you have excellent communication skills that allow you to cooperate successfully with all levels and functions of the organization.

You are best equipped for this task if you have:

- A degree in **Accounting, Economics, Finance** or equivalent field.
- **Experience in Accounting**, preferably in an international and multicultural environment.
- Good command of **SAP and MS Office tools**, especially Excel and Outlook.
- Fluency in written and spoken **English**.

Please send us your CV in English.
