

## Financial Controller (f/m/div)\*

### Job description

Are you passionate about numbers and data analysis? Do you consider yourself a good team player with a proactive and self-driven working style? Apply now to join Infineon Portugal as a Financial Controller and become a key member of our Controlling team.

As a Financial Controller, you will be a key partner for the business by facilitating effective decision-making through accurate financial information and reports.

In your new role you will:

- **Support Business Partners** in the delivery of day-to-day finance activities, control, financial planning and analysis;
- Understand other financial areas to **support decision-making and problem-solving**;
- **Support closing activities**, including cross-company charging;
- Ensure the **execution and documentation** of internal controls;
- Input and maintain **data in SAP and other reporting tools**;
- Be responsible for **Ad-hoc requests from Finance Business Partners** at different Infineon locations;
- **Support handover of new activities**: take-over phase and documentation.

### Profile

You are a fast learner, result-oriented and demonstrate excellent analytical skills that support your attention to detail and focus on delivery. You have excellent organization and communication skills. Your innovative mindset allows you to leverage business intelligence tools and technology that support reporting and automation. Furthermore, your high-quality standards and 'hands-on' approach towards your job are your best allies in the achievement of excellence.

You are best equipped for this task if you have:

- A Bachelor's degree in **Business Administration, Economics** or equivalent fields of studies;
- **At least 1 year of experience** in a similar role, preferably in an international and multi-cultural environment;
- Strong **Excel and analytical skills** – experience with **SAP FI/CO/AM** would be a plus;
- Experienced background in **Accounting** would be an advantage;
- **Fluency in English**.
