

Financial Controlling Analyst for Silicon Foundry

Job description

Do you love to generate value with your ideas and solutions, work in multi-cultural and cross-functional teams, and hands-on? Join our team where you will be participating in the roll-out project to ensure all Finance topics and Frontend Finance specifics are taken care of. Subsequently, you will perform all financial activities such as month-end closing and forecasting locally. Until end of calendar year 2024 majority of the function (>80%) will be project work and subsequently will switch to non-project Financial Controlling gradually. Sounds like a challenge you are anticipating? Apply today to find out more!

In your new role you will:

- Participate in the **roll-out of SiFo partners into new SAP solution** and with this the transfer into the Singapore entity
- **Provide onsite support** to Silicon Foundry (SiFo) organization in **financial matters**
- Support **month end closing, forecast** and **yearly planning process** for SiFo partners managed out of Singapore
- **Perform month end closing** for SiFo on site in SAP and report to HQ
- Perform **regular reporting on entity level** as well as management reporting to Frontend Finance organization in HQ, Germany

Profile

You are best equipped for this task if you have:

- Diploma / Bachelor's Degree in Business Administration / Economics with **more than 5 years** of experience in Finance
- **SAP standard costing knowledge** and experience are **MUST**
- **Project experience** highly recommended
- **Good communication skill** to deliver clear messages to project team as well as to stakeholders and Finance team in HQ, Germany
- Sound attitude to accept and adapt others' view & **team player**
- **Detailed & result oriented**
- **Worldwide mobility** is a plus

Infineon is a world leader in semiconductor solutions that make life easier, safer, and greener. Our solutions for efficient energy management, smart mobility, and secure, seamless communications link the real and the digital world.

In accordance with the requirements set by the Singaporean Government, Infineon Technologies Asia Pacific Pte Ltd ("Infineon") can only allow individuals who are (a) fully vaccinated, (b) certified to be medically ineligible for a vaccine or (c) have recovered from COVID-19 within a prescribed period, onto company premises. Therefore, Infineon requires all new employees, as well as contractors and business partners, to be fully vaccinated against COVID-19. "Fully vaccinated" means individuals have completed the full regime of an approved COVID-19 Vaccine as listed under the World Health Organization (WHO) Emergency Use Listing (EUL) including the respective post-vaccination period to ensure the vaccine has become full effective. Anyone who is unable to be vaccinated due to an approved and/or recognised exemption condition may apply for special consideration.
