

Working Student: Financial Controlling & Data Management (f/m/div)*

Job description

Behind every number is a story and you want to get to the bottom of this story? You are interested in the area of Financial Controlling and Data Management? Furthermore, you bring along advanced MS Excel skills that you would like to apply in the Microcontroller Finance team of an international high-tech company? Sounds interesting? Then don't miss the chance to bring your skills to the next level in this working student position at Infineon Munich and apply now! You should live close to the site: More than 150 km distance is not recommended for a working student job due to the travel.

In your new role you will:

- Work on **existing applications** and **new solutions** of Infineon Finance together with the Finance Team
- Support the **implementation of new financial reporting** e.g. analysis of Profit & Loss-statement
- Maintain our **existing automated actual and forecast solution**
- Contribute to **initiatives related to digitalization** at Finance

Profile

You are best equipped for this task if you:

- Are currently studying **Business Administration, Computer Science, Electrical Engineering** or an equivalent subject
- Already gained **first experience** with Software Tableau and Data Management
- Possess advanced knowledge in **MS Excel**, ideally including **Macros**
- Have a proven level of **high engagement and drive**
- Appreciate a high **team spirit** and have strong **communication skills**
- Have **solid English skills**

Please attach the following documents to your application:

- CV in English
- Certificate of enrollment at university
- Latest grades transcript (not older than 6 months)
- High school report
