

Internship - Singapore

Job description

Are you curious and keen to work on groundbreaking technologies and world-class products in an international environment? If so, now is the time to find out more about the various internship opportunities available in Infineon!

Everyone at Infineon has the opportunity to work with creative and brilliant people from around the world. People who are entirely different than you. Whom you may never have otherwise met. You'll discover: Diversity inspires ideas.

Profile

For students looking for internship in:

- Science
- Technology
- Engineering
- Mathematics
- Management

Why Us

Part of your life. Part of tomorrow.

We make life easier, safer and greener – with technology that achieves more, consumes less and is accessible to everyone. Microelectronics from Infineon is the key to a better future. Efficient use of energy, environmentally-friendly mobility and security in a connected world – we solve some of the most critical challenges that our society faces while taking a conscientious approach to the use of natural resources.
