

## Jumpstart - Risk Management & Internal Control

### Job description

Join our dynamic Risk Management & Internal Control team via a 24-month Jumpstart Program, where you will not only gain exposure on Internal Control Testing Methodology, but also better understand the company's operation and procedures from Risk & intern Control's perspective. If you are always curious and passionate about internal controls and wish to find out more, do not hesitate further, send us your application Now!

In your new role you will:

- Participate in interviews, **draft observations** and **assist with the documentation** of testing work papers and the examination of evidences
- **Support Internal Controls testing** through close collaboration with stakeholders
- **Work closely with control performers & process owners** from the various departments involved in internal control testing
- Prepare & conduct **internal control, financial compliance training materials**, and management **testing status reports**
- Assist in daily administrative matters such as filing and data entry

### Profile

You are best equipped for this task if you have:

- Bachelor's Degree in Accountancy & Finance related discipline
- Internship experience in **Risk, Control and Audit** highly preferred
- Excellent **interpersonal and communication** skills, with ability to work collaboratively with all levels of management
- Basic Knowledge of MS Office Applications e.g. **Word, Excel** and **PowerPoint**
- Able to commit to **24-month contract period**

### Why Us

**Part of your life. Part of tomorrow.**

We make life easier, safer and greener – with technology that achieves more, consumes less and is accessible to everyone. Microelectronics from Infineon is the key to a better future. Efficient use of energy, environmentally-friendly mobility and security in a connected world – we solve some of the most critical challenges that our society faces while taking a conscientious approach to the use of natural resources.

Infineon's stakeholders rely on relevant, accurate and timely financial information. Our department Accounting, Controlling & Taxes bundles all accounting functions at Infineon from transactional accounting at the Infineon Shared Service Center to IFRS and HGB guidelines, Group Consolidation and External Reporting.

*In accordance with the requirements set by the Singaporean Government, Infineon Technologies Asia Pacific Pte Ltd ("Infineon") can only allow individuals who are (a) fully vaccinated, (b) certified to be medically ineligible for a vaccine or (c) have recovered from COVID-19 within a prescribed period, onto company premises. Therefore, Infineon requires all new employees, as well as contractors and business partners, to be fully vaccinated against COVID-19. "Fully vaccinated" means individuals have completed the full regime of an approved COVID-19 Vaccine as listed under the World Health Organization (WHO) Emergency Use Listing (EUL) including the respective post-vaccination period to ensure the vaccine has become full effective. Anyone who is unable to be vaccinated due to an approved and/or recognised exemption condition may apply for special consideration.*
