

Contract - Pricing Specialist

Job description

Interested to explore the pricing function and support our dynamic sales team? Apply now! This is a 1 year contract.

In your new role as a Pricing Specialist, you will:

- Support the **operation of daily quotation and volume purchase negotiation activities**
- Provide **fast quote response** to Channel Partners and Regional Sales Team
- Execute **tactical pricing/marketing programs and initiatives** in the region
- Support Sales and Marketing in negotiating Volume Purchase Agreements including **preparation of price proposals** and any other additional information as required
- Participate in **face-to-face price negotiation** with customers

Profile

You are best equipped for this task if you have:

- A **Bachelor's degree in Business Administration/Engineering**
- **PMETS are welcomed to apply**
- Experience in pricing or marketing in the semiconductor industry is an advantage
- An **eye for numbers and a meticulous mindset**
- **Attention to details** and enforce pricing guidelines for our products
- Strong **communication, analytical and negotiation** skills
- Familiarity with **business object reporting** or **Tableau software** is an advantage
- This is a **1 year contract** role

Why Us

Part of your life. Part of tomorrow.

We make life easier, safer and greener – with technology that achieves more, consumes less and is accessible to everyone. Microelectronics from Infineon is the key to a better future. Efficient use of energy, environmentally-friendly mobility and security in a connected world – we solve some of the most critical challenges that our society faces while taking a conscientious approach to the use of natural resources.
