

Driving decarbonization and digitalization. Together.

Tax Specialist (f/m/div)

Job description

Are you feeling ready for a fresh challenge in your career? Are you someone who is driven, result-oriented, and always seeking to improve yourself? Do you have a keen interest in finance and enjoy staying up-to-date with industry trends? If that's the case, then we have an exciting opportunity for you here at Infineon. Join our team in Porto as our new Tax Specialist and make your mark on our organization!

In your Tax Specialist role, you also will do the following:

- **Review accounting records, document content and applicability of Indirect TAX and legal regulations;**
- **Preparation of account reconciliations and monthly VAT journal entries;**
- **Prepare indirect tax returns as well as necessary compliance checks;**
- Liaise with internal counterparts in order to review individual transactions and proceed with any necessary corrections;
- Liaise with the Indirect Tax manager and local Accounting regarding VAT queries;
- Develop expertise and increase process efficiency and compliance by continuously monitoring, identifying and implementing improvements;
- Assure clear and complete documentation for all procedures.

Profile

You are best equipped for this job if you have:

- A **degree in Accounting, Finance, Economics** or similar field of studies;
- **Experience in Indirect Taxes, Accounting** or a similar role, preferably in an international and multicultural environment.
- Knowledge of VAT compliance is an advantage;
- Experience with SAP and Microsoft Office tools, especially Excel;
- Flexibility to identify and adopt process changes that increase efficiency and compliance;
- Fluency in English.

Please send us your CV in English

Why Us

Driving decarbonization and digitalization. Together.

Infineon designs, develops, manufactures, and markets a broad range of semiconductors and semiconductor-based solutions, focusing on key markets in the automotive, industrial, and consumer sectors. Its products range from standard components to special components for digital, analog, and mixed-signal applications to customer-specific solutions together with the appropriate software.

We are on a journey to create the best Infineon for everyone.

This means we embrace diversity and inclusion and welcome everyone for who they are. At Infineon, we offer a working environment characterized by trust, openness, respect and tolerance and are committed to give all applicants and employees equal opportunities. We base our recruiting decisions on the applicant 's experience and skills.

We look forward to receiving your resume, even if you do not entirely meet all the requirements of the job posting.

Please let your recruiter know if they need to pay special attention to something in order to enable your participation in the interview process.
