

Internship: Community Content Specialist

Job description

We are looking for motivated and committed students (f/m/div)* who are willing to learn new things and work in a innovative company acting on a global scale. An exciting working environment characterizes this internship as well as an attractive salary. Apply now for this internship in Villach and support our team.

In your new role you will:

- Support **development projects** in strategic and operational content
- Drive **community engagement** by conceptualizing and publishing creative content in the form of blogs, knowledge based articles and other content types
- Evaluate **written content**
- Support other stakeholders in **copywriting, publishing and developing content** for management processes
- Collaborate with **STEM topic matter experts, branding department** and other stakeholders in a central role
- Work in the **agile scrum environment**
- Monitor the success of the content and resulting growth of key community metrics

Further Information

Type of employment: Temporary / Part-time (flexible working hours from Monday to Friday between 6 a.m. and 7 p.m.)

Duration: min. 6 months

Profile

You successfully meet the requirements, if you are a motivated and committed student from the field of **Marketing, Communication, English Language, Data Sciences** or similar. You are best equipped for this task if you additionally offer:

- An **eye for detail** when it comes to written and visual communication
- **Proactive working style, creativeness** and an **analytical mindset**
- Experience in proofreading or copywriting as an advantage
- An affinity for **cutting-edge** and **web technology**
- Excellent written and spoken **English**, with German as a plus
