

Student Job: Strategic initiatives in IT (f/m/div)*

Job description

Would you like to gain valuable practical experience in a global company while you are still studying? Are you open-minded and interested in digitalization, technology trends and innovation and do you like to proactively participate with your own ideas? Then we look forward to receiving your application! In our high-tech company, you can proactively contribute to a wide range of topics regarding the strategic orientation of the central IT organization as well as using your good communication skills!

In your new role you will:

- Help **creating and coordinating strategic IT initiatives**
- **Prepare, hold and follow-up internal and external meetings and workshops** together with your colleagues like e.g. appointment coordination and preparing catchy presentations
- **Communicate with international stakeholders**
- Support the **Innovation@IT initiative** with e.g. maintaining the intranet presence and preparing innovation-events

Profile

You are best equipped for this task if you:

- Are currently studying **Economics, Industrial Engineering, (Business) Informatics** or a related field of study and have **successfully completed at least the 2nd semester of studies**
- Work **self-driven** and are highly **motivated** and **goal-oriented**
- Have good **communication skills** and appreciate **working in a team**
- Bring along an **analytical and structured working style**
- Possess know-how in using **MS Office tools**, such as PowerPoint and Excel, and other **collaboration tools** like e.g. Miro, Slido, Webex Teams
- Already gained **first experiences in project management**
- Are ideally available on a **long-term basis**
- Have very good **German** and **English** language skills

Please attach the following documents to your application:

- CV in English
- Certificate of enrollment at university

Student Attraction Manager

- Latest grades transcript
- High school report

Additionally, the following requisites apply for student jobs:

- **You have to be enrolled in either your Bachelor or your Master studies** to be eligible for a student job.
- **In the current situation, we particularly emphasize the health and safety of our employees, which is why we support working from home.** Nevertheless, you should not live more than 150 km away from the place of work, so that the location is easily accessible for you.

Why Us

Part of your life. Part of tomorrow.

Infineon is a world leader in semiconductor solutions that make life easier, safer, and greener. Our solutions for efficient energy management, smart mobility, and secure, seamless communications link the real and the digital world.

** The term gender in the sense of the General Equal Treatment Act (GETA) or other national legislation refers to the biological assignment to a gender group. At Infineon we are proud to embrace (gender) diversity, including female, male and diverse.*
