

Senior Specialist - Supply Chain Planning

Job description

We are currently looking for a Supply Chain Planner to take charge of creation, modification and prioritization of sales and marketing plans, taking into account existing orders for the next 6 months.

In your new role you will be responsible for:

- **Creation, modification and prioritization of sales and marketing plans**, taking into account existing orders for the next 6 months.
- **Planning and maintenance of target stocks** on the basis of stock range objectives agreed with the business divisions.
- **Optimizing delivery performance** and related **customer satisfaction** in collaboration with Customer Logistics.
- **Monitoring of delivery commitments** of the **global production locations** (front and backend) for the respectively assigned product range. This is performed independently and autonomously taking into account aspects such as available capacities, customer demand and inventory targets.
- **Initiate / Drive supply chain process improvement activities**, especially in the area of **digitalization**.

Profile

You are best equipped for this task if you have:

- 1-3 years of professional working experience in **Supply chain management**.
- Bachelor's degree in Business Administration, Supply Chain, Electrical/Electronic Engineering, Computing and relevant fields.
- Business-focused with **strong planning, coordination, and analytical skills**.
- Excellent communication skills, very well organized and innovative.
- Knowledge of Tableau would be an added advantage.

Why Us

Part of your life. Part of tomorrow.

In accordance with the requirements set by the Singaporean Government, Infineon Technologies Asia Pacific Pte Ltd (“Infineon”) can only allow individuals who are (a) fully vaccinated, (b) certified to be medically ineligible for a vaccine or (c) have recovered from COVID-19 within a prescribed period, onto company premises. Therefore, Infineon requires all new employees, as well as contractors and business partners, to be fully vaccinated against COVID-19. “Fully vaccinated” means individuals have completed the full regime of an approved COVID-19 Vaccine as listed under the World Health Organization (WHO) Emergency Use Listing (EUL) including the respective post-vaccination period to ensure the vaccine has become full effective. Anyone who is unable to be vaccinated due to an approved and/or recognised exemption condition may apply for special consideration.
