

Director Product Marketing & Management Automotive LED Lighting Solutions (f/m/div)*

Job description

You have an entrepreneur spirit and are business focused? You would like to actively shape the future of the dynamic and rapidly expanding Automotive LED Lighting market? Then we have a great opportunity for you as Director Product Marketing & Management Automotive LED Lighting.

In your new role you will:

- **Define and implement the product marketing and product management strategy** for Automotive LED Lighting solutions
- **Be responsible for regular and accurate product volume demand and pricing planning** as input for capacity planning and financial forecasts
- **Drive and own the product roadmap**, including value proposition, commercial assessment and market and competitor analysis
- **Drive and coordinate the worldwide product go-to-market approach** working closely with regional marketing
- **Manage pricing strategy and guidelines**, customer pricing negotiations and quoting, defines Volume Purchase Agreements (VPA) pricing guideline and limits
- **Responsible for product portfolio optimization** which significantly impacts the PL segment result and long-term growth plans
- **Contribute to overall strategy of the LED product line**, including yearly long-term strategy planning

Profile

You value team spirit and believe that teamwork is the best way to achieve your goals. You are personally committed to the customer's success and award this a high priority. You remain aware of the big picture even in complex situations and are able to take decisions under pressure. You work across boundaries, establish successful collaboration and appreciate the contributions of other people.

You are best equipped for this task if you have:

- A **degree in Economics or Engineering** or similar
- At least 8 years of **experience in marketing or sales** with focus on business and customers
- A **Team Player-Mindset** with ability to drive, coordinate and structure cross-functional and cross-regional activities and business partners
