

Senior Manager - Corporate Legal Counsel

Job description

Are you a legally qualified professional looking for an exciting role that will involve major upcoming projects contributing to the growth of Infineon? Reporting to the Director - Corporate Legal Counsel, you will be primarily in charge of construction and renovation projects for our Asia Pacific Region. It is an all-rounded role where you will also be advising on general corporate commercial matters.

In your new role you will:

(a) Be primarily responsible for

- **risk mitigation strategies** for AP Region's **construction and renovation** projects
- **certain major construction and renovation projects in AP region** (either by jurisdiction or for manufacturing facilities construction) – main geographical focus in **Malaysia and Indonesia, with potential projects in Korea, Philippines and Thailand**
- **construction-related arbitration/litigation** in AP region
- **involvement in construction/renovation tenders, including contract structure, pricing model and commercial terms, contract and project documentation control**
- to share expertise in **construction law and disputes** with other AP region lawyers

(b) Also provides occasional support in other areas of law such as **procurement agreements, labour law topics, corporate secretarial matters, legal entities post-merger integration topics**

Profile

You are best equipped for this task if you have:

- Training/qualifications – **fully qualified lawyer who has passed professional qualification examinations in a South-East Asian jurisdiction**. Fluency in English is required, and fluency in **Bahasa Indonesia/Bahasa Malaysia** is an advantage.
- Experience – **8 years** of relevant professional experience, of which **4 years' must be substantially/exclusively construction-related**.
- Functional knowledge – Good expertise and practical experience in **construction-related legal principles, concepts, contracts, project document control and disputes**. Good standard of **construction-relevant contract drafting skills and negotiation skills**.
- Skills – Must have initiative, commercial acumen, analytical skills, client-oriented and good communication skills. Able to handle medium to complex legal questions in commercial legal topics. Have deep understanding of business

risks, concerns and balances those with business needs and strategic decisions. Able to think creatively to provide pragmatic legal solutions to achieve business objectives. Able to influence or significantly contribute in thought leadership to business risks and strategic decisions.

- Work quality – Self-motivated and responsible worker, who is able to organise and prioritise work and respond within deadlines. Can anticipate risks and potential disputes, and attempts to resolve them independently with occasional guidance from manager, but also understands when to escalate problems and issues.

Why Us

Part of your life. Part of tomorrow.

Infineon is a world leader in semiconductor solutions that make life easier, safer, and greener. Our solutions for efficient energy management, smart mobility, and secure, seamless communications link the real and the digital world.

In accordance with the requirements set by the Singaporean Government, Infineon Technologies Asia Pacific Pte Ltd ("Infineon") can only allow individuals who are (a) fully vaccinated, (b) certified to be medically ineligible for a vaccine or (c) have recovered from COVID-19 within a prescribed period, onto company premises. Therefore, Infineon requires all new employees, as well as contractors and business partners, to be fully vaccinated against COVID-19. "Fully vaccinated" means individuals have completed the full regime of an approved COVID-19 Vaccine as listed under the World Health Organization (WHO) Emergency Use Listing (EUL) including the respective post-vaccination period to ensure the vaccine has become full effective. Anyone who is unable to be vaccinated due to an approved and/or recognised exemption condition may apply for special consideration.
