

Assistant General Counsel

Job description

Are you a legal professional with experience in the corporate or commercial arena and looking to make your next career move? This may be the position for you! In this role, you will work for a large, global semiconductor company (one of the top 10 in the world!) and manage patent portfolios and litigation, as well as providing advice on IP and general corporate matters. Apply now, if this opportunity sounds like what you are looking for!

In your new role you will:

- Manage one or more **patent portfolios**: Embed with inventor community to support and manage one or more patent committees. Contribute to portfolio strategy in line with business and company goals. Provide advanced assistance in the continued development and implementation of patent strategy. Collect and maintain data relating to the competitive patent landscape
- **Manage IP and non-IP prelitigation and litigation matters**. Actual litigation experience required in the form of court appearances, filings, and depositions. Negotiate license agreements and settlements. Formulate and present risk assessments to senior management
- **Patent prosecution**: Respond to domestic and foreign patent application office actions with senior level efficiency. Mentor paralegals and junior patent counsel where necessary. Support Company filing strategy by generating and interpreting patentability searches. Coordinate with outside counsel on drafting, filing and prosecution of patent applications, and maintaining all related documentation
- Support intellectual property and **litigation** issues in commercial transactions, M&A, and other investments
- Respond promptly to **requests from internal clients**, and summarize and communicate legal risks in a way that business people can understand that pragmatically balances risk with the Company's business objectives
- Provide **leadership on cross-functional teams**, identify legal issues, and provide legal options / analysis of possible legal solutions, all while interacting with external counsel, advisors, external vendors, and business
- Keep informed of new laws, regulations, and **industry trends** affecting the Company, and assisting with the development of policies and training as needed

Profile

You are best equipped for this task if you have:

- **Law Degree** from a nationally recognized law school and member of the California state bar

- **San Jose, CA:** Medical, Dental & Vision Plans; Flexible Reimbursement Accounts (FSAs); Industry leading 401k Employer Contribution/Match; Company Performance Bonus; Holiday Pay & Paid Time Off (PTO); Flexible Working Conditions, Part-time Options; Different career paths: Project Management, Technical Ladder, Management & Individual Contributor; Wide range of Training Offers & Career Development Planning; Coaching, Mentoring, Networking Possibilities; International assignments; Basic Life & Dependent Life Insurance; Paid Sick Leave, Accidental Death & Disability Insurance (AD&D) ; Short-term & Long-term Disability ; Employee Assistance Program (EAP) ; Health Promotion Programs ; Reduced Price for Public Transportation

Why Us

Part of your life. Part of tomorrow.

We make life easier, safer and greener – with technology that achieves more, consumes less and is accessible to everyone. Microelectronics from Infineon is the key to a better future. Efficient use of energy, environmentally-friendly mobility and security in a connected world – we solve some of the most critical challenges that our society faces while taking a conscientious approach to the use of natural resources.

Cypress Semiconductor Corporation is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex (including pregnancy, childbirth, or related medical conditions), gender identity, national origin, ancestry, citizenship, age, physical or mental disability, legally protected medical condition, family care status, military or veteran status, marital status, domestic partner status, sexual orientation, or any other basis protected by local, state, or federal laws. Applicants with questions about access or requiring a reasonable accommodation for any part of the application or hiring process should contact the Talent Network by phone at (408) 503-2194.

Employment at Infineon is contingent upon proof of your legal right to work in the United States under applicable law, verification of satisfactory references and

successful completion of a background check and drug test, and signing all your on-boarding documents .

In some instances, if applicable, U.S. export control laws require that Infineon obtain a U.S. government export license prior to releasing technologies to certain persons. This offer is contingent upon Infineon's ability to satisfy these export control laws as related to your employment and anticipated job activities. The decision whether or not to submit and/or pursue an export license to satisfy this contingency, if applicable, shall be at Infineon's sole discretion.

IMPORTANT NOTICE:

Infineon is requiring all new U.S. employees and contractors to be fully vaccinated against COVID-19. Full vaccination is defined as two weeks after both doses of a two-dose vaccine or two weeks since a single-dose vaccine has been administered. Anyone unable to be vaccinated, either because of a sincerely held religious belief or a medical condition or disability that prevents them from being vaccinated, can request a reasonable accommodation.

Infineon Technologies takes data privacy and identity theft very seriously. As such, we do not request personally-identifiable information (PII) from applicants over the internet or electronically. Please kindly refrain from disclosing your PII electronically during the application process or to unauthorized websites that may purport to be Infineon or any of our affiliates.
