

## Manager Sales

### Job description

Manager Sales

#### In your new role you will:

- This is a new created role after Cypress acquisition, hold overall sales responsibility to synergize selling activities of ex-Cypress and IPC product portfolios for IPC GC owned accounts across broad application span of home appliances, industrial and infrastructure.
- Create sales strategy with “solution offering” in a hybrid of power, control and connect product mix considering the combining product offerings of Infineon and ex-Cypress.
- Cooperate seamlessly with account management team and FAE team of IPC GC to achieve financial targets of revenue, design-win, forecast accuracy, as well as customer satisfaction goal.
- Work very closely with regional marketing and PLs across all IFX divisions of IPC, DSS, PSS and ATV to get sufficient commercial, technical and operational support to win customer’s choice.
- With thorough customer system understanding to initiate new product ideations and work with business development, application/product marketing and engineering teams at both Greater China and Headquarter to incubate NPI projects.

### Profile

#### You are best equipped for this task if you have:

- Sufficient business experiences in electronics, electrical, and/or semiconductor industry with a decent track record growing business and/or customers in relevant applications; Experience of MCU, connectivity and power semiconductor will be a plus.
- Excellence in communication in both internal and external, power of influencing without authority.
- Logical thinking, system understanding, and awareness of process; A very capable team player.
- Ability to create network across Greater China and global organizations, and to deal with people from various culture and background.
- Good command of English in oral and written.
